Re: Page Field AOPD Rezoning
DCI2023-00018 - Minor PD

Dear Amanda M Martin:

The Zoning Section has reviewed the information provided and supplemented for the request referenced above. The application is now sufficient and the formal request has been drafted from your application as follows:

> Update the Page Field AOPD boundary and revise the development schedule, uses, Master Concept Plan, and list of deviations. This includes rezoning from Light Industrial (IL) to AOPD, remove Brooks Park parking lot from AOPD boundary; Update the Master Concept Plan to reflect these changes, and update the Development Schedule and Schedule of Uses to recognize future development and modify/add deviations.

Please review this language carefully, and notify me in writing by September 29, 2023 whether or not this wording is satisfactory. The staff report is now being prepared. This request has been tentatively scheduled for public hearing before the Lee County Hearing Examiner on November 09, 2023. However, please note that this is a tentative date that is subject to change and that Lee County will be held harmless for any potential delay in effectuating compliance with the tentative hearing date.

Sincerely,

DEPARTMENT OF COMMUNITY DEVELOPMENT
Zoning Section
