This letter is to inform you that the case CPA2008-00004 is being withdrawn from the 2010/2011 Plan Amendment Cycle.

The Lee County Division of Planning is currently maintaining a file for a Text Amendment to Table 1(b) for the Alva Planning Community. This case was filed in the 2008/2009 Plan Amendment Cycle and has been carried over to subsequent cycles.

The sufficiency review letter was sent by staff in November of 2008. We have met with you regarding this amendment since the sufficiency letter was sent, but no formal response has been received. Our last meeting with you concerning this case was August 3, 2010.

If you have any questions please feel free to me at 239-533-8526.

Sincerely,
