Subject: RE: 2009/2010 Lee Plan Regular Amendment Cycle (CPA2009-00003)

Brandon,

We have no comments on this proposed amendment. There is no transit service to this section of the County and we do not anticipate future transit service there, even within the long-range horizon of 2030.

Thanks,

Subject: 2009/2010 Lee Plan Regular Amendment Cycle (CPA2009-00003)

Planning staff is asking for your help in review of the above referenced proposed amendment to the Lee Plan.

The referenced CPA2009-00003 is a proposed privately initiated Lee County Comprehensive Plan amendment, titled by the Applicant as Old Corkscrew Plantation Golf Club.

The Old Corkscrew Plantation Golf Club amendment is a text amendment to create a density "receiving" area adjacent to the Old Corkscrew Golf Course to allow for Fractional Ownership/Timeshare units and a Bed and Breakfast Establishment.

This proposal is a text amendment to designate a density "receiving" area. The proposal will serve to concentrate the development of units that are currently allowable, but will not increase the overall residential allocation for Lee County.

Please review the proposal for CPA2009-00003 (a link is provided below), and provide comments concerning how the proposed amendment will affect your budget, operations, or other responsibilities

12/8/2009

that your agency/department is concerned with. Comments should be provided no later than December 7, 2009
