Brandon,

Attached are the CPA signs, 1 at the property line and the others as close as possible to the rights-of-way for Pine and First Street. Jimmy put them up Thursday afternoon 5/5/2011. The affidavit will be coming - our notary has been out sick.

Spoke with Julian Attree today. Everything's still a go. Started John Harris on the re-plat and sketch and legal for the conservation lands parcel; and will get Jeff Adair to start on the revised Environmental Survey. Do you need both of these items before the LPA hearing on May 23<sup>rd</sup>?

FYI - Dan Waters with SFWMD is supposed to meet with Don Blackburn to verify Dean's calculations and the districts very limited information to make a final determination that 4.9 acres of the detention tract can be used for development. Everything looks like its moving forward. I'll get you the letter from Dan asap.
