Re: OASIS COVE
BCCR11-10-01 Extension (F)
DCI2011-00036

Dear CHARLES BASINAIT:

In accord with BCCR11-10-01, development permits meeting certain criteria are entitled to one 4-year extension from the existing/initial permit expiration date. Accordingly, the effectiveness of the Master Concept Plan identified in Zoning Resolution, Z-10-009, DCI2011-00036, OASIS COVE, is hereby extended for the following:

APPROVAL OF A 4-YEAR EXTENSION FROM JUNE 7, 2015 TO JUNE 7, 2019 FOR OASIS COVE.

No additional extensions under BCCR11-10-01 may be granted for the above-referenced development permit. All underlying conditions of the zoning resolution remain in full force and effect. Failure to comply with zoning conditions may result in enforcement action as provided under Florida law and local regulations.

This extension applies only to the specific approvals identified above. If your project requires additional development permits or authorizations to continue construction, you are required to obtain the necessary approvals, including related permit extensions. If you hold other permits or authorizations that qualify for an extension under BCCR11-10-01, you must file a specific request for each qualifying development permit.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Department of Community Development
Division of Zoning

 - b. is consistent with the densities, intensities and general uses set forth in the Lee Plan; and,
 - c. is compatible with existing or planned uses in the surrounding area; and,
 - d. will not place an undue burden upon existing transportation or planned infrastructure facilities and will be served by streets with the capacity to carry traffic generated by the development; and,
 - e. will not adversely affect environmentally critical areas or natural resources.
3. The RPD/CPD rezoning satisfies the following criteria:
 - a. the proposed use or mix of uses is appropriate at the subject location; and
 - b. the recommended conditions to the concept plan and other applicable regulations provide sufficient safeguard to the public interest; and
 - c. the recommended conditions are reasonably related to the impacts on the public interest created by or expected from the proposed development.
4. Urban services, as defined in the Lee Plan, will be available and adequate to serve the proposed land use.
5. The approved deviations, as conditioned, enhance achievement of the planned development objectives, and preserve and promote the general intent of LDC Chapter 34, to protect the public health, safety and welfare.

Re: Lee County Resolution No. 11-10-01/Oasis Cove/DCI2009-00005
(Zoning Resolution Z-10-009)

Dear Ms. Houck:

Pursuant to Resolution No. 11-10-01 I am requesting a four-year extension to the Master Concept Plan for the project known as Oasis Cove. The zoning Master Concept Plan was originally approved on June 7, 2010 and is presently set to expire on June 7, 2015.

I have enclosed a check for \$200.00 made payable to the Lee County Board of County Commissioners to cover the cost of the request.

Please let me know if you have any questions.

Sincerely,

Charles J. Basinait
