Mr. Redfern, Mom & I are in NC right now. We were only going to be out of town for a week, but unexpectantly ran into some family. Unfortunately, we will not be able to attend tommorrow. We will do whatever we can via email/efax. We do apologize and also thank you for representing us so well.

We have about 6 or 7 neighbors tomorrow going into Mr. Janes. Will you be accompanying us? If not I need to get you signature at least. Thank you.

Thank-you Bill for sending us all the news regarding our community.

We are sorry that we could not be there to sign your petition regarding the grant, but we would hope that this email could be added to the petition so our voices would be heard. We would ask the commissioners to award the grant money to Alva, Inc.

Duane Mansell

I hop this is what you need. Please keep us informed as to the outcome of these meetings.

Thanks again for watching our house and have a wonderful vacation.

See you in the fall.

This explains our petition drive and our meeting with Bob Janes and what we are about. Any questions on any of these emails call or let me know through this medium. My home phone is 694-7583. If you choose to write a letter or send an email don't mention anything about Bonita Bay or North River Village since we are not allowed to talk to any commissioner about an open zoning request. THAT is scheduled for Sept. 23-24 with the Board of County Commissioners. Enjoy your lovely weather!!!!
