Matthew:

The application is to amend Maps 6 Lee County Utilities Future Water Service Area to provide service to 2.62 acres within the West Lakes Excavation IPD. There is no transportation issue and LCDOT have no comments.

Please note: Florida has a very broad public records law. Most written communications to or from County Employees and officials regarding County business are public records available to the public and media upon request. Your email communication may be subject to public disclosure.

Under Florida law, email addresses are public records. If you do not want your email address released in response to a public records request, do not send electronic mail to this entity. Instead, contact this office by phone or in writing.
