COMMUNITY DEVELOPMENT

Reference to Project: Fiddlesticks Boulevard

Ms. Crespo,

The proposed amendment to change the future land use designation of 394 +/- acres along Fiddlesticks Boulevard from 'Rural' and 'Wetlands' to 'Outlying Suburban' would not affect the ability of the Lee County Sheriff's Office to provide core levels of service at this time. The proposed population at build out is estimated at 2,955 based on a maximum of 1,182 dwelling units and 2.5 persons per unit.

Law enforcement services will be provided from our Echo District office in central Fort Myers. As this development builds out, we will factor its impact into our annual manpower review and make adjustments accordingly. At the time of application for a Development Order or building permit, the applicant shall provide a Crime Prevention Through Environmental Design (CPTED) report done by the applicant and given to the Lee County Sheriff's Office for review and comments.

Please address further correspondence to me at the address listed below. Please contact Kevin Farrell, Community Program Coordinator of the Crime Prevention Unit, at 477-2821 with any questions.

Respectfully,
