RE: Case # CPA2013-00004
Corkscrew Ranch

Dear Mr. Dunn:

This letter is in response to your email request dated September 12, 2013 for Corkscrew Ranch in reference to sufficiency comments with regard to educational impact. This proposed request is located in the South Choice Zone, Sub Zone S-3.

After reviewing the submittal, the project should have no impact on classroom needs based on the applicant's indication that this is a request to extend utilities for potable water and sewer to a previously approved development.

Thank you for your attention to this issue. If I may be of further assistance, please call me at (239) 337-8142.

Sincerely,

Dawn Huff, Long Range Planner
Planning Department
