Map Amendment Application

Dear Thomas McLean:

Staff has reviewed the response letter, dated October 8, 2014, which included supplemental information for the comprehensive plan amendment application CPA2014-00005.

The application appears to be sufficient. However, in accordance with Florida Statutes 163.3184(12), this application has been filed concurrent with zoning case DCI2014-00019. Planning staff will need the additional information required for the sufficiency of zoning case DCI2014-00019 prior to preparation of substantive comments.

If I can be of any assistance or if you have any questions, please do not hesitate to call me at (239) 533-8312.

Sincerely,
Department of Community Development
Planning Division

Peter Blackwell, Planner
