RE: Genova
 CPA2015-00004
 Text/Map Amendment Application

Dear Josh Philpott:

Staff has reviewed the response received by Lee County on May 6, 2015, which included supplemental information for the Comprehensive Plan Amendment application CPA2015-04.

The proposed Comprehensive Plan Amendment, case CPA2015-04 (Genova) has been found sufficient for review according to Lee County regulations. However, Estero Ordinance 15-01, paragraph 7, states that the Estero Planning and Zoning Board shall conduct a workshop to provide public information about the proposed amendment prior to the application being found sufficient. Please contact the Estero Village Manager to confirm that this has been conducted to satisfy this requirement.

Lee County will work with the Village of Estero to determine the public hearing schedule for the proposed Comprehensive Plan amendment.

Once public hearing dates are established, you will be notified.

Please contact me if you have any questions or if you would like to meet informally prior to the public meetings.

Sincerely,
Department of Community Development
Planning Division
