Re: Future Lane Usage Planning

To Whom it May Concern:

In regards to the future land usage planning in Lee County, the property owners of land on Safety Street request a change from outlying Suburb to Industrial. The request stems from the fact that the properties are surrounded by industrial zoned pieces. Zoomers Amusement Park is adjoining to the North and Sunset Plaza industrial park is directly across the street. Also a cell tower has been erected one property over to the South. Following are the signatures of 4 of the 5 owners, all in agreement.

Sincerely,

Barry W. Scott
