Good morning, Ms. Jenkins-Owen,

I'd like to first introduce myself to you, I am Tina Ekblad's new Assistant. Tina asked me to let you know that we are working on responding to the comments you provided via letter on November 30th, 2015. However, we will not be submitting a response until we hold another public meeting with the Olga Planning Community. We are coordinating with the representatives of Olga and will be back in touch as soon as a meeting date and time are finalized.

If you have any questions, please don't hesitate to contact her at TEkblad@m-da.com.

Highest Regards,

Jill Henderson
