**Subject:** Lee County, DEO # 16-2ESR Comments on Proposed Comprehensive Plan Amendment Package

Dear Ms. Rozdolski:

The South Florida Water Management District (District) has completed its review of the proposed amendment package from Lee County (County). The proposed amendment revises four maps in the Lee Plan. There appear to be no regionally significant water resource issues; therefore, the District has no comments on the proposed amendment package.

The District offers its technical assistance to the County and the Department of Economic Opportunity in developing sound, sustainable solutions to meet the County's future water supply needs and to protect the region's water resources. Please forward a copy of the adopted amendments to the District. Please contact me if you need assistance or additional information.

Sincerely,

Deb Oblaczynski
