COMMUNITY DEVELOPMENT

Dear Chairman Mann:

The Department of Economic Opportunity has completed its review of the comprehensive plan amendment adopted by Lee County on August 17, 2016 (Amendment 16-2ESR; Ordinance Number 16-13). We have reviewed the amendment in accordance with the expedited state review process set forth in Sections 163.3184(2), (3) and (5), Florida Statutes (F.S.), and have identified no provision that necessitates a challenge of the Ordinance adopting the amendment.

If this plan amendment is not challenged by an affected person, the amendment will become effective 31 days after the Department notified the local government that the plan amendment package was complete. If this plan amendment is challenged by an affected person, the amendment will not become effective until the Department or the Administration Commission enters a final order determining the amendment to be "In Compliance." No development orders, development permits, or land uses dependent on this amendment may be issued or commence before it has become effective.

If you have any questions relating to this review, please contact Scott Rogers, Planning Analyst, at (850) 717-8510, or by email at scott.rogers@deo.myflorida.com.

Sincerely,

James D. Stansbury, Chief
Bureau of Community Planning
