Re: CPA2015-00007 Extension Request
KREINBRINK CPA

Dear KENRICK GALLANDER:

The Planning Section has reviewed your request for an extension of the response time for the above referenced project until May of 2017. Staff recognizes that you are actively pursuing additional information necessary for the resubmittal of the request. However, staff believes that a three month extension should allow time to respond to the remaining sufficiency concerns and will allow an extension expiring on March 3, 2017. This project could be deemed withdrawn after the extension date if you do not respond prior to this date. Please note that a significant change to the requested amendments will result in the need to file a new application.

Sincerely,

DEPARTMENT OF COMMUNITY DEVELOPMENT
Planning Section
