**RE: Kreinbrink CPA2015-00007 Extension Request
Kreinbrink CPA (MDA 06015)**

Dear Mr. Dunn:

Again, I want to thank you for approving the previous extension requests for the proposed Comprehensive Plan Amendment, of which the latest was extended to March 3, 2017, as stated in your letter dated November 29, 2016.

We have continued to stay in contact regarding our efforts to work on proposed amendments to the Lee Plan based on our meetings and also as a result of proposed text amendment language Lee County staff is now proposing provided to us in mid-December 2016. It is our understanding the proposed staff changes are tentatively scheduled to be heard at the March 28th Local Planning Agency (LPA) meeting with a staff report issued March 17th.

I am respectfully requesting an additional extension to the timeline to respond to the insufficiency letter published November 25, 2015, based on the need to await the staff report to the LPA, the LPA's recommendation to the Lee County Board of County Commissioners and the Board's ultimate decision on the proposed amendments. Based on the new timelines we are all working under, potential results of the LPA and BOCC, and abilities to further coordinate with our client, I believe we will be able to resubmit the necessary materials in June 2017.

Should you have any question or require additional information to process this extension request, please do not hesitate to contact me or Ms. Tina Ekblad, MPA, AICP, LEED AP at 239-337-3993.

Sincerely,
