Subject: Lee County, DEO #17-1ESR Comments on Proposed Comprehensive Plan Amendment Package

Dear Ms. Rozdolski:

The South Florida Water Management District (District) has completed its review of the proposed amendment package from Lee County (County). The amendment revises Map 17, Southeast DR/GR Residential Overlay to designate a 637.5 acre property as an Environmental Enhancement and Preservation Community, and include the subject property in the Future Potable Water and Sewer Services area. The proposed changes do not appear to adversely impact the water resources in this area; therefore, the District has no comments on the proposed amendment package.

The District offers technical assistance to the County in developing sound, sustainable solutions to meet the County's future water supply needs and to protect the region's water resources. Please forward a copy of the adopted amendments to the District. Please contact me if you need assistance or additional information.

Sincerely,

Deb Oblaczynski
