DCI2016-00024 - Minor Plan Dev Application

Dear JENNIFER SAPEN :

The Zoning Division has reviewed your request for an extension of the response time allowed by the Lee County Land Development Code for the above referenced project. Staff recognizes that you are actively pursuing additional information necessary for the resubmittal of the request and will allow a 60 day extension expiring on September 14, 2017. This project could be deemed withdrawn after the extension date if you do not respond prior to this date.

Sincerely,

DEPARTMENT OF COMMUNITY DEVELOPMENT  
Zoning Division

You are correct, thank you.

Please allow this email to serve as a 60-day sufficiency extension request for a revised response deadline of Friday, September 15<sup>th</sup>. The additional time is needed to coordinate details related to title and survey work and associated authorization signature forms.

Looking through my records, am I correct the last action was finding the case insufficient on May 16, 2017?  
If so, we are beyond the 60 day response date.  
If you need an extension, please ask for one and indicate the reason(s). Please make sure your extension is long enough to include the time which has already passed.

Thanks
