

## Lee Plan Policy 18.1.15:

- 7-5. **Connectivity to FGCU:** To further implement Policy 18.1.5 relative to alternative modes of transportation, Area 9 will be designed with a connection to ~~the easterly portion~~ FGCU. This connection will be a pedestrian-friendly multi-modal facility, with traffic calming, multi-use paths, and ~~student safety features~~ other pedestrian oriented safety features. The connection to FGCU must be constructed consistent with the FGCU Campus Master Plan and Development Agreement. ~~included in the local development order prior to commencement of vertical development on Area 9 this connection must be in place.~~
