

**DO YOU WANT TRAFFIC TO INCREASE ON DANIELS PARKWAY?**

As per Lee County, Daniels Parkway is a constrained arterial roadway which cannot be widened, and for traffic flow, is a failed Roadway! The current CPA2005-0010 Appaloosa/Palomino Lane Amendment IS TO CHANGE LAND USE from Outlying Suburban to Central Urban. This change requests an increase in density/intensity of development from the existing 3 units per acre to 15-20 units per acre. NO WHERE ELSE ON DANIELS PARKWAY ARE THERE COMMUNITIES OF SUCH DENSITY.

The Lee County Planning Department staff report *evaluated* this request and said that "if the density/intensity of development is allowed, it will further exacerbate the existing traffic conditions." This entire report can be viewed at <http://www.leegov.com/dcd/documents/agendas/LPA/2016/07/Jul252016.pdf>. The hearing can be listened to at <https://www.leegov.com/dcd/committees/committeesearch?case=LPA> click on audio minutes CPA2015-10.

**IF YOU DO NOT WANT TRAFFIC TO BE INCREASED, PLEASE SIGN THE "NO" PETITION or e-mail your opinion to Lee County at [imiller@leegov.com](mailto:imiller@leegov.com)**

.....THIS HEARING IS AUGUST 22... PLEASE DON'T DELAY YOUR OPINION!!!.....
