RE: DCI2016-00024, Gully Creek RPD

Dear Ms. Sapen:

Lee County has reviewed the supplemental information submitted on September 28, 2017 responding to the County's letter of May 16, 2017. Please respond to each requirement not satisfied found in the following responses and any attached comments. Please direct all questions and comments about this response to Chip Block.

1. Please revise the Boundary Survey by tying the Boundary Survey to the state plane coordinate system for the Florida West Zone with two coordinates (one set for the north parcel and one set for the south parcel), one being the point of beginning and the other being an opposing corner.
2. Included in the September 28<sup>th</sup> response was a Waiver request from the LDC requirement the Master Concept Plan show the general location, configuration, and approximate dimensions of the lots or parcels (including outparcels). This is being processed and a response to this will be sent under separate cover.

If you do not provide the requested supplements or corrections within 60 calendar days of this letter, the Land Development Code requires that this application be considered withdrawn.

Sincerely,  
DEPARTMENT OF COMMUNITY DEVELOPMENT  
Zoning Section
