Subject: Lee County, DEO #17-8ESR Comments on Proposed Comprehensive Plan Amendment Package

Dear Ms. Rozdolski:

The South Florida Water Management District (District) has completed its review of the proposed amendment package from Lee County (County). The package proposes revisions to Lee Plan Goal 13 for the Captiva Planning Community. The proposed changes do not appear to adversely impact the water resources in this area; therefore, the District has no comments on the proposed amendment package.

The District offers its technical assistance to the County in developing sound, sustainable solutions to meet the County's future water supply needs and to protect the region's water resources. Please forward a copy of the adopted amendments to the District. Please contact me if you need assistance or additional information.

Sincerely,

Deb Oblaczynski
