

1. What attracts you to the Alva community?

peaceful, quite, natural beauty

Great place to raise children to respect nature.

2. What makes the Alva community unique/distinct from the rest of Lee County? How does Alva compare with other areas within northeast Lee County?

Areas to hunt.
Large old trees and open land make Alva unique and beautiful. Other areas are more congested & do not have pastures, open land, do not offer as much.

3. Do you see the Alva community area evolving or changing over the next 10 years, if so, how?

Yes, more people desire the quiet natural beauty where they can grow & harvest their own food. Not as much congestion & traffic as other areas.

4. What would bring about positive change to the Alva community? Negative change?

Positive Change:

Keep zoning rural with large pieces of acreage

Negative Change:

Adding commercial development & rezoning to make smaller parcels of land

5. What type of commercial development, if any, would benefit the Alva community? Where should this occur?

None & no where in Alva

Comments: Have lived here 30 years, close to Post Office and have enjoyed all these years. We are retired and feel thankful that Alva was there for us to raise our kids, in a rural setting that has basically stayed the same. We are grateful for HW 80 enlarged and the Caloosahatchee Park. We like it as is.

Thx.

Dzik Siemieniski

Feel a high school or Tuckahoe would bring litter, noise, and more accidents. I feel schools should be in semi-industrial, commercial areas like the High School on Gunnery.

1. What attracts you to the Alva community?

Rural Nature

2. What makes the Alva community unique/distinct from the rest of Lee County? How does Alva compare with other areas within northeast Lee County?

Alva UMC ; Oak Park Village ; COUNTRY!
Alva Fire Co. is so helpful to seniors.

2. What makes the Alva community unique/distinct from the rest of Lee County? How does Alva compare with other areas within northeast Lee County?

History, River access & views,
Friendly folk. Space around homes.

3. Do you see the Alva community area evolving or changing over the next 10 years, if so, how?

Staying country, with thoughtful
planning for new folk who will move in.

4. What would bring about positive change to the Alva community? Negative change?

Positive Change:

- Thoughtful, well planned zoning.
- Commercial only on rte 80 in
a specified zone.

Negative Change:

- Open growth anywhere.

5. What type of commercial development, if any, would benefit the Alva community? Where should this occur?

Rte 80 only, from Joel
to the Village Market (Mitchell
Ave.)

Please place any additional comments here that may not have been addressed through the questions that were provided on the front of this document.

Comments:

Keep all of Alva rural, as
it is now, except a set
commercial area on rte 80.

1. What attracts you to the Alva community?

It's rural, historic, agriculture, beautiful natural environments. The people are friendly, our school is outstanding. It's starting an ag program next year.

2. What makes the Alva community unique/distinct from the rest of Lee County? How does Alva compare with other areas within northeast Lee County?

No suburban type developments. - cows, horses - horse back riding. pastures, orange groves

3. Do you see the Alva community area evolving or changing over the next 10 years, if so, how?

Of course we are going to ~~stay~~ change, but

4. What would bring about positive change to the Alva community? Negative change?

Positive Change:

Stay rural with LDC's that support our ruralness.

Negative Change:

Big suburban developments
commercial all along Hwy 80
our desire to stay rural being ignored by the county
Increased density
big chain stores that don't respect us

5. What type of commercial development, if any, would benefit the Alva community? Where should this occur?

Small mom + pop type businesses designed to serve the rural community

Community Character Rural

Maintain rural character, history, heritage, and resources.

Support our agriculture (cattle ranching, citrus groves, Alva School ag program, 4H and FFA programs for our youth, back yard chicken and other small animals in appropriate areas)

Monitor level of density and intensity of growth to stay rural, not become suburban. Planned developments not encouraged. Grow naturally as we have always done.

Keep our natural environment. (oak tees, oak hammocks, cypress heads, scrub areas, etc.) No mass clearing of land for development

Defined commercial areas. There would two – Bedman Creek to the curve on Hwy 80 by River Oaks. Both sides of the highway.

Establish a rural corridor from Hickey Creek To Hendry County on Hwy 80 with a 500 foot setback from the property line. Natural areas to be maintained and cleared areas to be landscaped in indigenous native species to look natural. On SR 78, the same application with a 300 foot setback.

County planning staff to write commercial and development codes, LDC's, to give our community REAL PROTECTION from the kind of development WE DON'T WANT! And we want to be part of that process.

1. What attracts you to the Alva community?

our particular property

2. What makes the Alva community unique/distinct from the rest of Lee County? How does Alva compare with other areas within northeast Lee County?

a) quiet, old vegetation as opposed to recently designed & planted

Hopefully River Road will be improved to provide another East/West route

4. What would bring about positive change to the Alva community? Negative change?

Positive Change:

- * Find a way to overcome them & us
Them = people who have always been here
us = everyone else
- * Bike lanes!

Negative Change:

Building that increases traffic without more consideration of where the traffic goes. Rt 80 is heavy with traffic and another east/west

Rt
People on River Rd always pushing for developments AWAY from them

5. What type of commercial development, if any, would benefit the Alva community? Where should this occur?

A grocery store!
Nothing else really essential

Located central to population

Comments:

Alva has so much to offer to everyone including giving people to expose them to opportunities already around them

If existing park was "tweaked" a little to offer river sport rentals &/or camping equipment it would be an amazing county offering.

Many people never experience nature because they can't have equipment just to use occasionally

Comments:

I don't like the fact that they brought the migrant camp in the middle of the Charleston Plc neighborhood, under the impression that the actual residents were asked to move out thinking that the apartments were going to be remodeled & then they decide to sell the apartments to a merit owner. But well they remodeled & upgraded the apartments in Palmetto / Michigan Lakes & Sabal Palm apartments.

* The speed limit after Joel Blvd goes up to 60 after Joel heading towards Grubbs but crosses a neighborhood (Charleston Plc)
I believe the speed limit should stay 45 until after Charleston Plc.

* Also, I was raised in Charleston Plc and want it to continue to stay named Charleston Plc

Comments: What needs to be addressed is the fact there is a migration camp in the middle of a community. There are constant people in and out of that camp that are being allowed to mix in w/ the community. We knew nothing about these people they could be Rapist, murders, and theft for all we know. The migration camp should be removed or investigated more as far as the individuals residing there. More information should be provided to the community. Those Apartments should be used for those who can benefit from them. We should be able to rent them to families that are in need of housing and not at an expensive price for those just getting out on their own.
