Re: CPA2017-00002 Extension Request  
Cemex Alico Quarry  
Map 14 Amendment Application

Dear Paula McMichael:

The Planning Section has reviewed your request, received November 1, 2019, for an extension of the response time for the above referenced project. Staff recognizes your on-going coordination with neighboring properties and the challenge posed to the recently adopted mining amendments (Ordinance 19-13), and will allow an extension expiring on February 29, 2020. This project could be deemed withdrawn after the extension date if you do not respond prior to this date.

Sincerely,

DEPARTMENT OF COMMUNITY DEVELOPMENT  
Planning Section
