**Re: Amendment 19-06 ESR  
Adoption Submission Package**

Dear Mr. Eubanks:

In accordance with the provisions of F.S. Chapter 163, this submission package constitutes the adoption of Comprehensive Plan Amendments known locally as CPA2018-10012 and CPA2018-10013. This amendment packet includes the final action and adopting ordinance for the following amendments:

**CPA2018-10013:** Amend the Future Land Use Map designation on ±33.95 acres from Industrial Commercial Interchange to General Interchange. **(Adopted by Ordinance 20-05).**

**CPA2018-10012:** Amend Table 1(b) 2030 population allocation to accommodate residential development on the subject property **(Adopted by Ordinance 20-05).**

The Lee County Board of County Commissioners held an adoption hearing to adopt the above identified ordinance for the plan amendment on May 6, 2020. On February 27, 2020, DEO approved an adoption extension per Section 163.3184(3) to June 12, 2020. In compliance with the extension date, the final action on this amendment was completed prior to the June 12, 2020 extension deadline.

No additional changes were made to the adopted amendment that the State Land Planning Agency did not previously review.

The name of the local newspaper in which the Adoption Hearing was published is The News-Press, Fort Myers, Florida.

The name, title, address, telephone number, facsimile number, and email address of the person for the local government who is most familiar with the proposed amendment is as follows:

Mr. Brandon Dunn, Principal Planner  
Department of Community Development Planning Section  
P.O. Box 398

(239) 533-8585, Fax (239) 485-8344  
E-mail: bdunn@leegov.com

Included with this package are one paper copy and two CD ROM copies, in PDF format, of the proposed amendments and supporting data and analysis.

Sincerely,  
**Lee County Department of Community Development  
Planning Section**

**NOTICE OF PROPOSED AMENDMENT  
TO THE  
LEE COUNTY COMPREHENSIVE LAND  
USE PLAN  
(TRANSMITTAL HEARING)**

The Lee County Board of County Commissioners will hold a public hearing to consider proposed amendments to the Lee County Comprehensive Land Use Plan (Lee Plan) on Wednesday, September 18, 2019. The hearing will commence at 9:30 a.m., or as soon thereafter as can be heard, in the Board Chambers at 2120 Main Street in Downtown Fort Myers. At the hearing, the Board will consider the proposed amendments for transmittal to the Florida Department of Economic Opportunity:

CPA2018-10013 and CPA2018-10012  
Vintage Commerce Center: Amend the Future Land Use Map designation on 33.95+/- acres from Industrial Commercial Interchange to General Interchange located on the northeast corner of Alico Road and Three Oaks Parkway. Amend Table 1(b) 2030 population allocation to provide additional residential development in the General Interchange category within the Gateway/Airport Planning Community.

CPA2019-00005 CAM40: Request to add a 40 acre parcel to the Environmental Enhancement and Preservation Communities Overlay (EEPCO) as identified on Map 17- Southeast DR/GR Residential Overlay. The subject property is located approximately one mile south of Corkscrew Road and approximately one mile east of Six Ls Farm Road. The applicant has filed a companion rezoning application (DCI2019-00018) to rezone the parcel to Mixed Use Planned Development as part of a 2,138 +/- acre development.

This transmittal hearing is the first step in a two step public hearing process to amend the Lee Plan. A second hearing will follow the Department of Economic Opportunity's review of the application.

Documentation for the Proposed Comprehensive Plan Amendments are available at <https://www.leegov.com/dcd/planning/cpa> or at the Department of Community Development located at 1500 Monroe Street, Fort Myers, Florida. This meeting is open to the public. Interested parties may appear at the meeting and be heard with respect to the proposed plan amendments. A verbatim record of the proceeding will be necessary to appeal a decision made at this hearing.

It is the intent of the Board of County Commissioners that the provisions of these Comprehensive Plan Amendments may be modified as a result of consideration that may arise during Public Hearing(s). Such modifications shall be incorporated into the final version.

Lee County will not discriminate against individuals with disabilities. To request an accommodation, contact Joan LaGuardia, (239) 533-2314, Florida Relay Service 711, or [ADArequests@lee.gov](mailto:ADArequests@lee.gov), at least five business days in advance.

NOTICE OF PROPOSED AMENDMENT  
TO THE LEE COUNTY COMPREHENSIVE  
LAND USE PLAN  
(ADOPTION HEARING)

The Lee County Board of County Commissioners will hold a public hearing to consider the adoption of proposed amendments to the Lee County Comprehensive Land Use Plan (Lee Plan) on Wednesday, May 6, 2020. The hearing will commence at 9:30 a.m., or as soon thereafter as can be heard, in the Lee County Administration East Building located at 2201 Second Street, Fort Myers, FL, Room 118. The general public staging area will be in the Green Room at 2201 Second Street, Fort Myers, FL.

The Board proposes to adopt ordinances amending the Lee Plan as follows: CPA2019-00006 Conservation Lands Update - Amend the Future Land Use Map series, Map 1, by adding County-owned property to the Conservation Lands (Upland and Wetland) land use category.

CPA2019-00008 EEPKO Text Amendment - Amend language in Lee Plan Goals 1, 6, and 33 to establish provisions for allowing limited commercial uses and increased residential density and to clarify timing of agricultural use cessation and recording of conservation easements for certain residential and mixed-used developments located in Southeast Lee County.

CPA2018-10013 and CPA2018-10012 Vintage Commerce Center: Amend the Future Land Use Map designation on 33.95+/- acres from Industrial Commercial Interchange to General Interchange located on the northeast corner of Alico Road and Three Oaks Parkway. Amend Table 1(b) 2030 population allocation to provide additional residential development in the General Interchange category within the Gateway/Airport Planning Community. Copies of this Notice and the proposed ordinances are available for inspection or copying during regular business hours at the Minutes Office of the Clerk of Courts of Lee County, by calling 239-533-2328. The Minutes Office is located in the Courthouse Administration Building, 2115 Second Street, Fort Myers, Florida. This meeting is open to the public. Interested parties may appear at the meeting and be heard with respect to the proposed plan amendment. A verbatim record of the proceeding will be necessary to appeal a decision made at this hearing.

It is the intent of the Board of County Commissioners that the provisions of the Ordinances may be modified as a result of consideration that may arise during Public Hearing(s). Such modifications shall be incorporated into the final version.

Lee County will not discriminate against individuals with disabilities. To request an accommodation, contact Joan LaGuardia, (239) 533-2314, Florida Relay Service 711, or ADarequests@lee.gov.com, at least five business days in advance.

**LEE COUNTY ORDINANCE NO. 20-05**  
**VINTAGE COMMERCE CENTER**  
**(CPA2018-10012 and CPA2018-10013)**

**AN ORDINANCE AMENDING THE LEE COUNTY COMPREHENSIVE PLAN, COMMONLY KNOWN AS THE “LEE PLAN,” ADOPTED BY ORDINANCE NO. 89-02, AS AMENDED, SO AS TO ADOPT AMENDMENT PERTAINING TO THE VINTAGE COMMERCE CENTER (CPA2018-10012 AND CPA2018-10013) APPROVED DURING A PUBLIC HEARING; PROVIDING FOR PURPOSE, INTENT, AND SHORT TITLE; AMENDMENTS TO ADOPTED MAP AND TEXT; LEGAL EFFECT OF “THE LEE PLAN”; PERTAINING TO MODIFICATIONS THAT MAY ARISE FROM CONSIDERATION AT PUBLIC HEARING; GEOGRAPHICAL APPLICABILITY; SEVERABILITY, CODIFICATION, SCRIVENER’S ERRORS, AND AN EFFECTIVE DATE.**

WHEREAS, the Lee County Comprehensive Plan (“Lee Plan”) and Chapter XIII, provides for adoption of amendments to the Plan in compliance with State statutes and in accordance with administrative procedures adopted by the Board of County Commissioners (“Board”); and,

WHEREAS, the Board, in accordance with Section 163.3181, Florida Statutes, and Lee County Administrative Code AC-13-6 provide an opportunity for the public to participate in the plan amendment public hearing process; and,

WHEREAS, the Lee County Local Planning Agency (“LPA”) held a public hearing on the proposed amendment in accordance with Florida Statutes and the Lee County Administrative Code on August 26, 2019; and,

WHEREAS, the Board held a public hearing for the transmittal of the proposed amendment on September 18, 2019. At that hearing, the Board approved a motion to send, and did later send, proposed amendment pertaining to Vintage Commerce Center (CPA2018-10012 and CPA2018-10013) to the reviewing agencies set forth in Section 163.3184(1)(c), F.S. for review and comment; and,

WHEREAS, at the September 18, 2019 meeting, the Board announced its intention to hold a public hearing after the receipt of the reviewing agencies’ written comments; and,

WHEREAS, on February 26, 2020, the applicant, Q. Grady Minor & Associates, P.A., and Lee County agreed to request a time extension for the adoption of the Comprehensive Plan Amendment until June 12, 2020; and,

WHEREAS, on February 27, 2020, the Florida Department of Economic Opportunity granted the extension for the adoption of the proposed amendment until June 12, 2020; and,

WHEREAS, on May 6, 2020, the Board held a public hearing and adopted the proposed amendment to the Lee Plan set forth herein.

**NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF LEE COUNTY, FLORIDA, THAT:**

SECTION ONE: PURPOSE, INTENT AND SHORT TITLE

The Board of County Commissioners of Lee County, Florida, in compliance with Chapter 163, Part II, Florida Statutes, and with Lee County Administrative Code AC-13-6, conducted public hearings to review proposed amendments to the Lee Plan. The purpose of this ordinance is to adopt map and text amendments to the Lee Plan discussed at those meetings and approved by a majority of the Board of County Commissioners. The short title and proper reference for the Lee County Comprehensive Land Use Plan, as hereby amended, will continue to be the "Lee Plan." **This amending ordinance may be referred to as the "Vintage Commerce Center Ordinance (CPA2018-10012 and CPA2018-10013)."**

SECTION TWO: ADOPTION OF COMPREHENSIVE PLAN AMENDMENT

The Lee County Board of County Commissioners amends the existing Lee Plan, adopted by Ordinance Number 89-02, as amended, by adopting an amendment, to amend the Future Land Use Map designation on 33.95+/- acres from Industrial Commercial Interchange to General Interchange located on the northeast corner of Alico Road and Three Oaks Parkway and amend Table 1(b) 2030 population allocation to provide additional residential development in the General Interchange category within the Gateway/Airport Planning Community, known as Vintage Commerce Center (CPA2018-10012 and CPA2018-10013).

The corresponding Staff Reports and Analysis, along with all attachments and application submittals for this amendment are adopted as "Support Documentation" for the Lee Plan. Proposed amendments adopted by this Ordinance are attached as Exhibit A.

SECTION THREE: LEGAL EFFECT OF THE "LEE PLAN"

No public or private development will be permitted except in conformity with the Lee Plan. All land development regulations and land development orders must be consistent with the Lee Plan as amended.

SECTION FOUR: MODIFICATION

It is the intent of the Board of County Commissioners that the provisions of this Ordinance may be modified as a result of consideration that may arise during Public Hearing(s). Such modifications shall be incorporated into the final version.

## SECTION FIVE: GEOGRAPHIC APPLICABILITY

The Lee Plan is applicable throughout the unincorporated area of Lee County, Florida, except in those unincorporated areas included in joint or interlocal agreements with other local governments that specifically provide otherwise.

## SECTION SIX: SEVERABILITY

The provisions of this ordinance are severable and it is the intention of the Board of County Commissioners of Lee County, Florida, to confer the whole or any part of the powers herein provided. If any of the provisions of this ordinance are held unconstitutional by a court of competent jurisdiction, the decision of that court will not affect or impair the remaining provisions of this ordinance. It is hereby declared to be the legislative intent of the Board that this ordinance would have been adopted had the unconstitutional provisions not been included therein.

## SECTION SEVEN: INCLUSION IN CODE, CODIFICATION, SCRIVENERS' ERROR

It is the intention of the Board of County Commissioners that the provisions of this ordinance will become and be made a part of the Lee County Code. Sections of this ordinance may be renumbered or relettered and the word "ordinance" may be changed to "section," "article," or other appropriate word or phrase in order to accomplish this intention; and regardless of whether inclusion in the code is accomplished, sections of this ordinance may be renumbered or relettered. The correction of typographical errors that do not affect the intent, may be authorized by the County Manager, or his designee, without need of public hearing, by filing a corrected or recodified copy with the Clerk of the Circuit Court.

## SECTION EIGHT: EFFECTIVE DATE

The plan amendments adopted herein are not effective until 31 days after the State Land Planning Agency notifies the County that the plan amendment package is complete. If timely challenged, an amendment does not become effective until the State Land Planning Agency or the Administrative Commission enters a final order determining the adopted amendment to be in compliance. No development orders, development permits, or land uses dependent on this amendment may be issued or commence before the amendment has become effective. If a final order of noncompliance is issued by the Administration Commission, this amendment may nevertheless be made effective by adoption of a resolution affirming its effective status.

THE FOREGOING ORDINANCE was offered by Commissioner Mann who moved its adoption. The motion was seconded by Commissioner Manning. The vote was as follows:

John Manning	Aye
Cecil Pendergrass	Aye
Raymond Sandelli	Aye
Brian Hamman	Aye
Frank Mann	Aye

Secretary of State

May 6, 2020

Honorable Linda Doggett  
Clerk of the Circuit Courts  
Lee County  
Post Office Box 2469  
Fort Myers, Florida 33902-2469

Attn: Melissa Butler

Dear Ms. Doggett:

Pursuant to the provisions of Section 125.66, Florida Statutes, this will acknowledge receipt of your electronic copy of Lee County Ordinance No. 20-05, which was filed in this office on May 6, 2020.

Sincerely,

Ernest L. Reddick  
Program Administrator

FROM THE  
OFFICE OF COUNTY ATTORNEY**

VIA HAND DELIVERY

DATE: May 6, 2020

To: Commissioner Hamman  
Chair, Board of County  
Commissioners

FROM: *Michael D. Jacob*  
Michael D. Jacob  
Deputy County Attorney

RE: **Lee County Ordinance Amending the Lee County Comprehensive Plan  
Ord #20-04, Conservation Lands Update (CPA2019-00006)  
Ord #20-05, Vintage Commerce Center (CPA2018-10012 & CPA2018-10013)  
Ord #20-06, EEPKO Text Amendment (CPA2019-00008)  
Adoption Hearing – May 6, 2020**

On May 6, 2020, the Board of County Commissioners adopted ordinances amending the Lee County Comprehensive Plan. The original ordinances are attached to this memorandum for execution. Kindly execute the ordinances at your earliest convenience and then forward to Eileen Gabrick in the Minutes Department.

By copy of this memorandum to Eileen Gabrick, I request that a clerk attest to the Chair's signature on each of the attached ordinances and email a copy of the fully executed ordinances, with all exhibits in color, to Tina Boone ([tboone@leegov.com](mailto:tboone@leegov.com)).

Insofar as State Statute mandates that the ordinances reach Tallahassee within ten (10) days of the adoption, please expedite the above request so that the ordinances arrive in Tallahassee no later than May 15, 2020.

**Joyce**, attached please find the Data Retrieval Forms. Kindly include the amendments in the Lee County Ordinance History.

Thank you for your assistance.

MDJ:tlb

**STAFF REPORT FOR  
CPA2018-10012 and CPA2018-10013:  
Vintage Commerce Center**  
Privately Initiated Map and Text Amendments to the Lee Plan

**Applicant:**

CLE FL RE Investment I, LLC

**Representative:**

D. Wayne Arnold, AICP  
Q. Grady Minor & Associates,  
P.A.

**Property Location:**

Northeast corner of Alico Rd &  
Three Oaks Pkwy

**Size:**

± 33.95 acres

**Planning Community:**

Gateway/Airport

**Commissioner District:**

District #2

**Attachments:**

Existing Future Land Use Map  
Proposed Future Land Use Map  
Table 1(b)

**Hearing Dates:**

LPA: 8/26/2019  
BOCC: 9/18/2019  
BOCC: 5/06/2020

**REQUEST**

- Amend the Future Land Use Map designation on ±33.95 acres from Industrial Commercial Interchange to General Interchange.
- Amend Table 1(b) 2030 population allocation to accommodate residential development on the subject property.

**SUMMARY**

The requested amendments would allow a mix of residential, commercial and light industrial uses on the subject property. The existing and proposed future land use categories are similar except that the current designation does not allow residential.

**PROJECT LOCATION**

The subject property is located on the northeast corner of Alico Road and Three Oaks Parkway, and is immediately west of I-75.

**FIGURE A: AERIAL LOCATION MAP**

**RECOMMENDATION**

Staff recommends that the Board of County Commissioners **adopt** the requested amendments based on the analysis and findings provided in this staff report.

**PART 1  
CONCURRENT APPLICATION REVIEW**

The applicant has filed a companion rezoning application (DCI2018-10022) that is being reviewed concurrently with this plan amendment application. The applicant is seeking to rezone the property to a Commercial Planned Development (CPD) to allow residential and commercial uses, including a hotel.

Florida Statutes Chapter 163.3184(12) provides that “At the request of an applicant, a local government shall consider an application for zoning changes that would be required to properly enact any proposed plan amendment transmitted pursuant to this subsection.” This requires Lee County provide a concurrent review of the rezoning request.

**PART 2  
PROPERTY INFORMATION**

**Subject Property**

The subject property is located on the north side of Alico Road, immediately west of Interstate I-75 and east of Three Oaks Parkway. It is currently zoned CPD for 300,000 square feet of commercial retail and office uses (Zoning Resolution Z-05-019).

The ±33.95 acre subject property is located in the Gateway/Airport Planning Community and is currently designated as Industrial Commercial Interchange on the Future Land Use map (see Attachment 1, Page 1).

**Gateway/Airport:** The Gateway/Airport Planning Community has three components. The subject property is within the area anticipated to develop with hi-tech/clean industry businesses spurred by its proximity to the Southwest Florida International Airport (SWFIA) and Florida Gulf Coast University (FGCU).

**Industrial Commercial Interchange Future Land Use Category:** The subject property is designated as Industrial Commercial Interchange on the Future Land Use Map and has been since 1990. The Industrial Commercial Interchange future land use category, as provided in Policy 1.3.4 below, is limited to commercial and light industrial uses. No residential uses are allowed.

***POLICY 1.3.4:** The Industrial Commercial Interchange areas are designated to permit a mixture of light industrial and/or commercial uses. This category does not permit heavy industrial uses. Within areas expanded beyond the existing Industrial Commercial Interchange boundaries (on January 1, 2007), retail commercial uses will be limited to 20% of the total floor area and light industrial uses will be a minimum of 50% of the total floor area. (Ordinance No. 07-10)*

**Surrounding Properties**

The surrounding properties to the north, northwest, west, and east are predominantly within the Industrial Commercial Interchange future land use category and are zoned CPD, Mixed Use Planned Development (MPD), and Agriculture (AG-2). The properties south of Alico Road, located within the San Carlos Planning Community, have a future land use designation of Urban Community with CPD and Residential Planned Development (RPD) zoning. More detailed information on the surrounding properties is provided below in Table 1 and locations are shown on Figure B.

**TABLE 1: SURROUNDING PROPERTIES INFORMATION**

	<b>Future Land Use</b>	<b>Zoning</b>	<b>Existing Use</b>
<b>North</b>	Industrial Commercial Interchange; Industrial Development	Alico Crossroads Center CPD - Approved for 351,000 SF commercial & 125 hotel rooms	Grazing lands
<b>Northwest</b>	Industrial Commercial Interchange; Industrial Development	AG-2	Grazing lands
<b>West</b>	Industrial Commercial Interchange; Industrial Development	Three Oaks Marketplace MPD - Approved for 400,000 SF of industrial & commercial uses and 130 hotel rooms	Grazing lands; industrial uses
<b>Southwest</b>	Urban Community (6 units/acre*)	Three Oaks 106 RPD - Approved for 400 units	Alico Road; Westbrook residential subdivision under construction
<b>South</b>	Urban Community (6 units/acre*)	CPD portion of Alico Interstate Park RPD/CPD DRI - Approved for a maximum of 992 dwelling units, 400 hotel rooms, 2,042,000 SF commercial retail & office uses	Alico Road; Undeveloped
<b>Southeast</b>	University Village Interchange	University Plaza CPD - Approved for 300,000 SF commercial & 180 hotel rooms	Alico Road; I-75; University Plaza CPD - commercial retail and hotel uses
<b>East</b>	Industrial Commercial Interchange	Alico Road Billboard CPD; Airport Interchange South CPD - Approved for 310,000 SF commercial & 172 hotel rooms	I-75 Exit Ramp; I-75; Airport Interchange South CPD - commercial retail and hotel uses

\*Up to 15 units/acre may be approved using bonus density.

**FIGURE B: SURROUNDING PROPERTIES MAP & AIRPORT NOISE ZONES**

**PART 3**

**STAFF DISCUSSION AND ANALYSIS OF PROPOSED AMENDMENTS**

The applicant is requesting to amend the future land use category of the subject property to General Interchange (see Attachment 1, Page 2) to allow, in addition to commercial and light industrial, residential uses on the subject property. As previously mentioned, the current future land use designation does not allow residential uses.

The General Interchange future land use category allows for commercial development serving the traveling public, light industrial uses, and multi-family development with a standard density range between 8 to 14 dwelling units per acre. Bonus density may be approved up to 22 units per acre.

***POLICY 1.3.2:** The General Interchange areas are intended primarily for land uses that serve the traveling public: service stations, hotel, motel, restaurants, and gift shops. But because of their location, market attractions, and desire for flexibility, these interchange uses permit a broad range of land uses that include tourist commercial, general commercial, light industrial<sup>1</sup>/commercial, and multi-family dwelling units. The standard density range is from eight dwelling units per acre (8*

*du/acre) to fourteen dwelling units per acre (14 du/acre). Maximum density is twenty-two units per acre (22 du/acre).*

Amending the future land use map would expand the types of uses allowed on the subject property to include multi-family residential land uses. Commercial and light industrial uses would continue to be permitted since both are allowed in the Industrial Commercial Interchange and General Interchange future land use categories. There is no restriction on the amount of commercial or industrial square feet allowed on the land since the designation has been on the subject property since 1990. This means the subject property could be developed all commercially, industrially or provide a mix of both.

If approved, the subject property would be a pocket of General Interchange future land use designated land surrounded on three sides by lands within the Industrial Commercial Interchange future land use category. Lands to the south, within the San Carlos Planning Community, are within the Urban Community future land use category which permits a mix of uses including commercial, limited light industrial, and residential with a density of 6 units an acre or up to 15 units an acre using bonus density.

### **Lee Plan Consistency**

As previously stated the subject property is within the Gateway/Airport Planning Community which includes three distinct areas – Gateway, the Southwest Florida International Airport, and the area extending west of I-75, along Alico Road. The subject property is in the area extending west of I-75, along Alico Road. The vision for this area is to develop with hi-tech/clean industry businesses.

Due to compatibility constraints of industrial uses and the conflicts that can arise when locating industrial uses in close proximity to residential uses, the concurrent rezoning must be designed so that the future residential uses do not interfere with future development of industrial uses. Recent activity along the Three Oaks Parkway corridor indicates a transition to Research and Development (R & D) and corporate office type uses. As a result, some of the housing needs stemming from this transition could be served on the subject property which would support the anticipated hi-tech/clean industry businesses. Providing for multi-family dwelling units on the subject property through the planned development rezoning process would further Objective 135.1 and Policy 135.1.9 by adding to the mix of residential types within Lee County.

The proposed General Interchange Future Land Use designation would allow residential development on the subject property. Approximately 3 acres located on the southeast portion of the subject property is in the Airport Noise Zone C (see Figure B). Airport Noise Zone C (Policy 1.7.1) requires formal notification to property owners, but does not restrict land uses.

Lee County Port Authority issued a letter on April 22, 2019 stating:

“The project is located along the centerline of the future parallel runway, and in very close proximity to the arrival and departure paths of the existing Runway 06/24, at RSW. As such, the property will be subject to numerous daily aircraft overflights at low altitudes. The southeast corner of the project is located in a noise sensitive area, Airport Noise Zone C as described in Sec. 34-1004 of the Land Development Code. As such, the project is subject to the noise notification policy in Sec. 34-1004(c) of the Land Development Code.”

Airport Noise Zone C is only located on a small portion of the subject property. However, the subject property could be affected by air traffic from the expanding Southwest Florida International Airport

(SWFIA). As part of the concurrent rezoning, the applicant has agreed to notify future residences on the subject property of the potential exposure to airport noise and industrial developments.

Policy 5.1.5 protects future residential areas from any encroachment of uses that are potentially destructive to the character and integrity of the residential area. In this case, the residential uses are being added where industrial and commercial uses are currently allowed and expected to develop. The applicant will address the location of the residential area as part of the planned development and demonstrate consistency with Policy 7.1.9 that states industrial traffic will not travel through residential areas.

The request is consistent with Policy 5.1.3 which directs high-density residential developments to locations near employment and shopping centers. The subject property is located in close proximity to the industrial businesses along Alico Road, University Plaza CPD, Gulf Coast Towne Center, SWFIA, and FGCU. Policy 5.1.3 also discusses appropriateness of residential in proximity to parks (Three Oaks Park and the Karl Drews Community Center), schools (San Carlos Park Elementary School, Three Oaks Elementary School, Three Oaks Middle School and Estero High School) and accessibility to mass transit (Bus Route 60 with a bus stop located on the corner of Alico Road and Three Oaks Parkway) and bicycle facilities (bike paths are along Three Oaks Parkway and Alico Road). Just south of the subject property, in San Carlos Park, are single-family, two-family, and multi-family units which are owner-occupied or rented. Adding multi-family uses to the subject property will provide another housing option for workers employed by the area businesses. The amendment would also support the transition from the San Carlos single family residential units to industrial uses further north and west.

**Table 1(b):** The request to amend Table 1(b) is to accommodate residential development on the subject property. The map amendment, if approved, will require that Table 1(b) be updated to provide additional residential allocation for the General Interchange Future Land Use Category (see Attachment 1, Page 3).

#### **Service Availability**

The proposed amendment to the Future Land Use Map would expand the types of uses allowed on the subject property to included residential uses. There are adequate potable water, sanitary sewers, solid waste, police, fire/EMS, schools and mass transit services to accommodate anticipated development on the subject property with or without the proposed amendments.

**Transportation:** The subject property is located at the northeast corner of Alico Road and Three Oaks Parkway. Interstate I-75 is located along the east boundary of the land.

- I-75 is a six-lane median divided freeway maintained by State.
- Alico Road is a limited access, six-lane median divided arterial roadway. Alico Road, from Three Oaks Parkway to I-75, is maintained by the State. Policy 1.3.7 provides the access control standards for Alico Road and no new accesses would be acceptable within this roadway link. Alico Road, from US 41 to Three Oaks Parkway, is maintained by the County.
- Three Oaks Parkway is a four-lane median divided roadway with sidewalks and bike lanes that are maintained by the County. There are three turn lanes where it nears Alico Road and a turn lane into the subject property.

The 5 year analysis indicates that Alico Road from Three Oaks Parkway to I-75, I-75 from Corkscrew Road to Terminal Access Road and San Carlos Boulevard from Oriole Road to Three Oaks Parkway are projected to operate at LOS "F" with or without the project in Year 2024. The same is true of the Year 2040 projections with the additional failure of US 41 between Alico Road and Six Mile Cypress Parkway.

**Mass Transit:** The property is within ¼ mile of a fixed route corridor. The closest bus route is Route 60 along Alico Road and bus stop 1952 is located on Three Oaks Parkway.

**Utilities:** The subject property is within the Lee County Utilities future potable water and sanitary sewer service areas. Potable water and wastewater lines are in operation adjacent to the property on Three Oaks Extension. Potable water is available from the Green Meadows Water Treatment Plant. Wastewater service would be provided by the Three Oaks Wastewater Treatment Plant.

**Solid Waste:** The subject property has access to solid waste services. Solid waste collection services will be provided by Lee County using the Lee County Resource Recovery Facility and the Lee-Hendry Regional Landfill.

**Fire:** The San Carlos Park Fire District indicated they are capable of providing fire protection. In a letter dated January 25, 2019, the Fire District states the subject property is within 3 miles from Station #51 (Sanibel Blvd.)

**EMS:** The subject property has access to EMS services. In a letter dated December 6, 2018, Lee County Emergency Medical Services indicates they will be able to serve the property from Medic 9 located 3.1 miles west of the property, and a second EMS facility is located within 5 miles from the property.

**Police:** The Lee County Sheriff will provide law enforcement services primarily from the South District office in Bonita Springs. The Sheriff indicated in a letter dated November 26, 2018 that the development of the subject property will not affect the ability of the Lee County Sheriff's Office to provide core services at this time.

**Schools:** There is adequate school seat capacity to serve the subject property.

#### **PART 4 CONCLUSIONS**

Commercial and industrial uses are permitted in both the Industrial Commercial Interchange and General Interchange future land use categories. The difference is that General Interchange will allow for multi-family residential uses at a minimum of 8 units and a maximum of 14 units per acre. Up to 22 units per acre would be allowed using bonus density.

The subject property is well situated in a growing industrial and commercial area. Providing multi-family residential units on the subject property will add a new housing type available to workers in the area. The residential/industrial/commercial interface will be limited as proposed by the concurrent planned development. Residents will be given notice of the property's proximity to the airport and the potential for airport noise. There are services available to the site to support the proposed uses.

For the reasons discussed in this staff report, staff recommends that the Board of County Commissioners **transmit** the proposed amendments.

**PART 5**  
**LOCAL PLANNING AGENCY**  
**REVIEW AND RECOMMENDATION**  
DATE OF PUBLIC HEARING: August 26, 2019

**A. LOCAL PLANNING AGENCY REVIEW:**

The Applicant presented an overview of the proposed amendments and consistency with the Lee Plan. Staff provided a brief presentation for the amendment which covered consistency with the Lee Plan and staff recommendation. No members of the public addressed the LPA concerning this case.

Members of the LPA asked questions about the impact on light industrial uses, development within airport noise zone C and residential uses and items that would be addressed during the planned development rezoning.

**B. LOCAL PLANNING AGENCY RECOMMENDATION:**

A motion was made to find the map amendment request consistent with the Lee Plan and to recommend that the Board of County Commissioners **transmit** CPA2018-10013. The motion passed 7 to 0.

**VOTE:**

**PART 6**  
**BOARD OF COUNTY COMMISSIONERS**  
**TRANSMITTAL HEARING FOR PROPOSED AMENDMENT**

DATE OF PUBLIC HEARING: September 18, 2019

**A. BOARD REVIEW:**

Staff provided a brief presentation for the proposed amendments which covered consistency with the Lee Plan and the LPA and staff recommendation. No members from the public spoke. The Board discussed the potential residential use on the subject property, allowing a mix of uses, notice requirements for airport noise zones, and the need for employee housing in the area.

**B. BOARD ACTION:**

A motion was made to transmit CPA2018-10012 and CPA2018-10013 as recommended by staff. The motion was passed 5 to 0.

**PART 7**  
**STATE REVIEWING AGENCIES'**  
**OBJECTIONS, RECOMMENDATIONS, AND COMMENTS**

Comments from the State Reviewing Agencies were due to Lee County by October 30, 2019.

**A. OBJECTIONS, RECOMMENDATIONS AND COMMENTS:**

Lee County received responses from the following review agencies addressing the transmitted amendment:

- Florida Department of Economic Opportunity (DEO)
- Florida Fish and Wildlife Conservation Commission (FWC)
- Florida Department of Environmental Protection (DEP)
- South Florida Water Management District (SFWMD)
- Florida Department of Transportation (FDOT)

There were **no objections** concerning the proposed amendments; however, a technical assistance comment was received by the Florida Fish and Wildlife Conservation Commission, and three technical assistance comments from FDOT.

**FWC:**

*Florida Fish and Wildlife Conservation Commission (FWC) staff has reviewed the Lee County proposed comprehensive plan amendment in accordance with Chapter 163.3184(3), Florida Statutes. At this time, our comments are limited to advisory information and recommendations for reducing potential conflicts with the Florida black bear (*Ursus americanus floridanus*) at the proposed residential development project located adjacent to and northwest of the intersection between Alico Road and I-75 in Lee County.*

*FWC has received 145 reports of human-bear conflicts within roughly a 5-mile radius of the project site since 2004. Florida black bears are abundant in this area, which is within the South Bear Management Unit identified in the 2012 Bear Management Plan. We would ask that the applicant review the attached document for important information related to potential measures that can be taken to avoid or minimize negative wildlife interactions during the planning, construction, and operation phases of this project.*

**Response:**

Lee County staff appreciates the technical guidance provided by Florida Fish and Wildlife Conservation Commission. Coordination between the applicant and County will continue during the regulatory approval process to address human-bear conflicts. The Planned Development rezoning (DCI2018-10022) is being reviewed concurrently with this plan amendment.

**FDOT:****FDOT Technical Assistance Statement #1:**

*Alico Road is a limited access, six-lane median divided arterial roadway from Three Oaks Parkway to 1-75, maintained by the Department. The Lee County Comprehensive Plan Future Land Use Element Policy 1.3.7 provides access control standards for this roadway, and based upon that policy, no new access would be acceptable within the Alico Road roadway segment between Three Oaks Parkway and 1-75.*

*The applicant has requested to create a break in the Federal Highway Limited Access (LA) for the interchange of 1-75 and Alico Road. The Department's position on access request of this nature is as follows:*

*An access point on Florida's Interstate System is defined as a break in the control of access to the right-of-way of the System. FHWA policy dictates that managing the location and design of accesses within the Federal Highway Limited Access (LA) is essential to maintaining the safety, operational, and engineering acceptability of the Interstate System, and to providing the highest level of service possible. Full control of accesses on the crossroad at an interchange is critical to providing such service because these accesses introduce points of traffic conflict creating "turbulence" in the traffic flow. As such, as stated in the FDOT Interchange Access Request Users Guide, dated January 2018, access management standards require more stringent regulation of driveway connections and median openings in interchange areas. Interchange areas are defined as either ¼ mile from the interchange, if the crossroad is a controlled-access facility (measured from the end of the ramp that is farthest from the interchange), or up to the first intersection with an arterial road, whichever is less. However, these distances may be increased on State owned crossroads at the discretion of FDOT to improve the operations and safety of the Interstate System.*

*Any proposal for a new access point requires adequate justification and FHWA approval. It is important to note that it is the intent of FHWA to avoid adding any access to the Interstate System that exclusively serves a narrow, private interest. An FHWA decision to approve new or revised access points must be supported by substantiated information justifying and documenting that decision. Technical analysis must clearly demonstrate the proposed change in access does not have a significant adverse impact on traffic safety and operation of the Interstate facility or on the crossroad under both current and future conditions. It is strongly recommended that before undertaking any such technical analysis, the analysis methodology be reviewed and approved by the applicable FDOT District Interchange Review Coordinator.*

**Response to FDOT Statements #1**

Lee County staff appreciates the technical guidance provided by Florida Department of Transportation. The subject property is undergoing planned development rezoning concurrently with this plan amendment request (DCI2018-10022). The planned development Master Concept Plan does not provide access directly onto Alico Road. Two access points are located on Three Oaks Parkway to serve the development.

**FDOT Technical Assistance Statement #2:**

*The interstate is a maturing system with an increasing demand. The volume of traffic traversing 1-75 generates considerable impacts such as noise, odor, and glare, which affects adjacent development. The rezone application contemplates multifamily residential uses within the parcel with a 15-foot buffer along the south-bound interchange ramps. The Department encourages consideration of a more intensive buffering strategy to minimize the impacts of the existing interstate structure and future widening improvements for the proposed residential development. An example is the tiered buffering system for the Talis Park development (Collier County) adjacent to 1-75 (west side) between the Bonita Beach Road and Immokalee Road Interchanges.*

**Response to FDOT Statements #2**

The subject property is undergoing planned development rezoning concurrently with this plan amendment request (DCI2018-10022). The planned development Master Concept Plan shows a large water management lake along a portion of the residential boundary (labeled as Tract A) and the I-75 exit ramp. The lake is setback 25 ft from the property boundary and will also contain a 15 foot type D buffer. Per LDC 10-416, a type D buffer requires a minimum of 5 trees and a 36 inch high double hedge per every 100 linear feet. Also, the Hearing Examiner has recommended a condition stating that the Developer must provide adequate protection for wayward vehicles along Alico Road and the property's eastern property line. The elements of protection will be reviewed during the development order process and are subject to approval of the Director of Development Services. Similarly, the setback along the eastern property line is approved with the condition the lake is adequately buffered from the adjoining property line with berms or landscaping to deter unauthorized access. These elements can also be reviewed during the development order process and are subject to the Director's approval. Coordination between the applicant and County will also continue during the regulatory approval process to address potential impacts resulting from the proposed development.

**FDOT Technical Assistance Statement #3:**

*FDOT supports the planning and development of communities that promote the use of multimodal alternatives that aid in mitigating potential transportation impacts, promote safety and economic development, and improve quality of life for all communities in the County. These development*

*designs decrease overall passenger vehicle trips on the roadway network by encouraging compact and dense developments that provide multimodal connectivity between existing and future development areas. This context sensitive approach promotes healthy, safe, and economically viable communities that encourages quality of life, and incorporates all modes of transportation. FDOT offers several initiatives to assist the County in creating quality developments while protecting future mobility on the regional roadway network, including "Complete Streets" and a commitment to bicycle and pedestrian safety.*

*The Department encourages the applicant to partner with the County, LeeTran and other neighboring property owners to improving headways to 30-60 minutes, adding Sunday service and adding additional morning trips per the recommendations presented in the LeeTran 2016 TDP as they help with the reduction of automobile dependency on the local and regional roadway network. FDOT welcomes the opportunity to partner with and provide technical assistance to the Lee County to create multimodal transportation facilities to serve all users.*

**Response to FDOT Statements #3:**

Lee County will continue to coordinate with the MPO to assess the financial feasibility of the roadway improvement projects and with Lee Tran to assess the need for additional transit connections to provide transit alternatives. Currently, LeeTran Route 60 travels east and west along Alico Road and south along Three Oaks Parkway. Bus stops are located along Alico Road to the west of the subject property and south along Three Oaks Parkway. Coordination between the applicant and County will also continue during the regulatory approval process to address potential impacts resulting from the proposed development.

**B. STAFF RECOMMENDATION**

Staff recommends that the Board of County Commissioners **adopt** the amendment to the Lee Plan as transmitted to the State Reviewing Agencies as provided in Attachment 1.

**PART 8  
BOARD OF COUNTY COMMISSIONERS  
ADOPTION HEARING FOR PROPOSED AMENDMENT**

DATE OF PUBLIC HEARING: May 6, 2020

**C. BOARD REVIEW:**

Staff provided a brief presentation for the proposed amendments which covered consistency with the Lee Plan, state agency review and the staff recommendation. No members from the public addressed the Board concerning the proposed amendments.

**B. BOARD ACTION:**

A motion was made to **adopt** CPA2018-10012 and CPA2018-10013 as recommended by staff. The motion was passed 5 to 0.

Planning Section  
Post Office Box 398  
Fort Myers, Florida 33902-0398

Dear Ms. Rozdolski:

Thank you for submitting Lee County's proposed comprehensive plan amendments submitted for our review pursuant to the Expedited State Review process. The reference number for this amendment package is **Lee County 19-06ESR**.

The proposed submission package will be reviewed pursuant to Section 163.3184(3), Florida Statutes. Once the review is underway, you may be asked to provide additional supporting documentation by the review team to ensure a thorough review. You will receive the Department's Comment Letter no later than **October 30, 2019**.

If you have any questions please contact Anita Franklin, Senior Plan Processor at (850) 717-8486 or Barbara Powell, Regional Planning Administrator, whom will be overseeing the review of the amendments, at (850) 717-8504.

Sincerely,

D. Ray Eubanks, Administrator  
Plan Review and Processing

**Re: Amendment to the Lee Plan  
September 18, 2019 Transmittal Hearing  
CPA2018-10012 & CPA2018-10013**

RECEIVED  
Lee County Planning Section

SEP 30 2019

Div. of  
Map

Dear Mr. Eubanks:

In accordance with the provisions of F.S. Chapter 163, please find attached the proposed Comprehensive Plan Amendments, known locally as CPA2018-10012 & CPA2018-10013 (Vintage Commerce Center). The proposed amendments are being submitted through the expedited state review process as described in Chapter 163.3184. The amendments are as follows:

**CPA2018-10012:** Amend Table 1(b) 2030 population allocation to accommodate residential development on the subject property.

**CPA2018-10013:** Amend the Future Land Use Map designation on ±33.95 acres from Industrial Commercial Interchange to General Interchange.

The Local Planning Agency held a public hearing for these plan amendments on August 26, 2019. The Board of County Commissioners voted to transmit the amendments on September 18, 2019. The proposed amendments are not applicable to an area of critical state concern. The Board of County Commissioners stated their intent to hold an adoption hearing following the receipt of the review agencies' comments.

The name, title, address, telephone number, and email address of the person for the local government who is most familiar with the proposed amendments is as follows:

Mr. Brandon Dunn, Principal Planner  
Lee County Planning Section  
P.O. Box 398  
Fort Myers, Florida 33902-0398  
(239) 533-8585  
Email: bdunn@leegov.com

Included with this package are one paper copy and two CD ROM copies, in PDF format, of the proposed amendments and supporting data and analysis. By copy of this letter and its attachments, I certify that this amendment and supporting data and analysis have been sent on this date to the agencies listed below.

Sincerely,

**Lee County Department of Community Development  
Planning Section**

Mikki Rozdolski  
Manager, Community Development Operations

All documents and reports attendant to this transmittal are also being sent by copy of this cover in an electronic format to:

Ms. Mikki Rozdolski, Manger  
Lee County  
Community Development Operations  
Post Office Box 398  
Fort Myers, Florida 33902-0398

Dear Ms. Rozdolski:

This letter is in response to the letter dated February 26, 2020, notifying of an extension for the adoption of a proposed amendment DEO 19-06ESR to the Lee County Comprehensive Plan pursuant to Section 163.3184(3), Florida Statutes.

The Department acknowledges receipt of the extension notification. The new extended adoption date is June 12, 2020. The Department reminds the County that all citizens who commented on the amendment need to be notified of the extension.

If the proposed amendment is adopted, please submit the amendments to the Florida Department of Economic Opportunity, Bureau of Community Planning, Plan Processing Team within 10 working days of adoption pursuant to Section 163.3184(3), Florida Statutes.

If you have any questions concerning this matter, please do not hesitate to contact Ms. Barbara Powell at (850) 717-8499, or myself, at (850) 717-8504.

Sincerely,

D. Ray Eubanks

**Re: Comprehensive Plan Amendment No. 19-06ESR  
 Vintage Commerce Center  
 Extension of 180-Day Adoption Deadline**

Dear Mr. Eubanks:

In accordance with the provisions of Section 163.3184(3)(c)1., Florida Statutes, this letter is to provide notice to the Florida Department of Economic Opportunity ("DEO") and other state and regional review agencies of an agreement between the applicant, CLE FL RE Investment I LLC and the County to extend adoption of Comprehensive Plan Amendment No. 19-06ESR (the "CPA").

The CPA consists of a map and a text amendment to amend the Future Land Use Map designation on ±33.95 acres from Industrial Commercial Interchange to General Interchange and to amend Table 1(b) 2030 population allocation to accommodate residential development on the subject property. The CPAs are locally known as CPA2018-10012 & CPA2018-10013.

The Lee County Board of County Commissioners (BoCC) held a public hearing to transmit the CPA on September 18, 2019, and subsequently transmitted the CPA to the reviewing agencies on September 25, 2019. The County received no comments from the reviewing agencies on the transmitted CPA application. Pursuant to Section 163.3184(3)(c)1., Florida Statutes, the BoCC is required to conduct its second public (adoption) hearing to take final action on the CPA by April 13, 2020 (180 days after receiving no comments) or else the CPA will be deemed withdrawn, unless an agreement to extend the deadline is approved and notice is provided to the Florida Department of Economic Opportunity ("DEO") and any affected person that provided comments on the CPA.

On February 26, 2020, the applicant requested to extend the second public hearing on the CPA until June 12, 2020. A copy of this letter is attached. The concurrent planned development rezoning is in process and the Hearing Examiner Report is pending. The extension is necessary in order to coordinate the CPA and

RECEIVED  
 Div. of Community Planning and Growth

FEB 27 2020

Div. of Community Development  
 Dept. Economic Opportunity

planned development rezoning requests so that both applications may be heard concurrently by the BoCC.

The County agrees to this time extension and respectfully requests that DEO issue a letter recognizing the extension from April 13, 2020 to June 12, 2020, to forward an adopted amendment to DEO and other state and regional agencies for final review. Upon receipt of such acknowledgment, the County will notify all citizens who commented on the amendment of the extension.

Thank you for your time and attention to this matter. If you have any questions or require additional information, please do not hesitate to contact me.

Sincerely,

RE: CPA2018-10012 & CPA2018-10013, Vintage Commerce Center amendments

Dear <sup>S</sup>M<sub>r</sub>. Rozdolski:

On behalf of our client CLE FL RE Investment I, LLC, we respectfully request a 60-day extension of the statutory 180-day deadline (F.S. 163.3184(3)(c)) for the BoCC to hold the second hearing on the plan amendment(s). Lee County uses a Hearing Examiner for zoning applications. The county is desirous of the zoning application and the comprehensive plan applications tracking together. The Hearing was completed in December 2019. The Hearing Examiner has not yet issued a recommendation to the Board of County Commissioners. The BoCC only meets the first and the third Wednesday of every month. The March hearing agendas (BoCC) are already set. The applicant is concerned that due to no fault of the applicant the time will run. Thus, the property owner and applicant respectfully request an extension of time.

Please feel free to contact me if you have any questions.

Sincerely,

D. Wayne Arnold, AICP

EXECUTIVE DIRECTOR

October 16, 2019

The Honorable Larry Kiker  
Chairman, Lee County  
Board of County Commissioners  
Post Office Box 398  
Fort Myers, Florida 33902-0398

Dear Chairman Kiker:

The Department of Economic Opportunity (“Department”) has reviewed the proposed comprehensive plan amendment for Lee County (Amendment No. 19-06ESR) received on September 30, 2019. The review was completed under the expedited state review process. We have no comment on the proposed amendment.

The County should act by choosing to adopt, adopt with changes, or not adopt the proposed amendment. For your assistance, we have enclosed the procedures for adoption and transmittal of the comprehensive plan amendment. In addition, the County is reminded that:

- Section 163.3184(3)(b), F.S., authorizes other reviewing agencies to provide comments directly to the County. **If the County receives reviewing agency comments and they are not resolved, these comments could form the basis for a challenge to the amendment after adoption.**
- **The second public hearing**, which shall be a hearing on whether to adopt one or more comprehensive plan amendments, **must be held within 180 days** of your receipt of agency comments or the amendment shall be **deemed withdrawn** unless extended by agreement with notice to the Department and any affected party that provided comment on the amendment pursuant to Section 163.3184(3)(c)1., F.S.
- **The adopted amendment must be rendered to the Department.** Under Section 163.3184(3)(c)2. and 4., F.S., the **amendment effective date** is 31 days after the Department notifies the County that the amendment package is complete or, if challenged, until it is found to be in compliance by the Department or the Administration Commission.

## SUBMITTAL OF ADOPTED COMPREHENSIVE PLAN AMENDMENTS

### FOR EXPEDITED STATE REVIEW

Section 163.3184(3), Florida Statutes

**NUMBER OF COPIES TO BE SUBMITTED:** Please submit three complete copies of all comprehensive plan materials, of which one complete paper copy and two complete electronic copies on CD ROM in Portable Document Format (PDF) to the State Land Planning Agency and one copy to each entity below that provided timely comments to the local government: the appropriate Regional Planning Council; Water Management District; Department of Transportation; Department of Environmental Protection; Department of State; the appropriate county (municipal amendments only); the Florida Fish and Wildlife Conservation Commission and the Department of Agriculture and Consumer Services (county plan amendments only); and the Department of Education (amendments relating to public schools); and for certain local governments, the appropriate military installation and any other local government or governmental agency that has filed a written request.

**SUBMITTAL LETTER:** Please include the following information in the cover letter transmitting the adopted amendment:

\_\_\_\_\_ State Land Planning Agency identification number for adopted amendment package;

\_\_\_\_\_ Summary description of the adoption package, including any amendments proposed but not adopted;

\_\_\_\_\_ Identify if concurrency has been rescinded and indicate for which public facilities. (Transportation, schools, recreation and open space).

\_\_\_\_\_ Ordinance number and adoption date;

\_\_\_\_\_ Certification that the adopted amendment(s) has been submitted to all parties that provided timely comments to the local government;

\_\_\_\_\_ Name, title, address, telephone, FAX number and e-mail address of local government contact;

\_\_\_\_\_ Letter signed by the chief elected official or the person designated by the local government.

**ADOPTION AMENDMENT PACKAGE:** Please include the following information in the amendment package:

\_\_\_\_\_ In the case of text amendments, changes should be shown in strike-through/underline format.

\_\_\_\_\_ In the case of future land use map amendments, an adopted future land use map, **in color format**, clearly depicting the parcel, its future land use designation, and its adopted designation.

\_\_\_\_\_ A copy of any data and analyses the local government deems appropriate.

**Note:** If the local government is relying on previously submitted data and analysis, no additional data and analysis is required;

\_\_\_\_\_ Copy of the executed ordinance adopting the comprehensive plan amendment(s);

Suggested effective date language for the adoption ordinance for expedited review:

"The effective date of this plan amendment, if the amendment is not timely challenged, shall be 31 days after the state land planning agency notifies the local government that the plan amendment package is complete. If the amendment is timely challenged, this amendment shall become effective on the date the state land planning agency or the Administration Commission enters a final order determining this adopted amendment to be in compliance."

\_\_\_\_\_ List of additional changes made in the adopted amendment that the State Land Planning Agency did not previously review;

\_\_\_\_\_ List of findings of the local governing body, if any, that were not included in the ordinance and which provided the basis of the adoption or determination not to adopt the proposed amendment;

\_\_\_\_\_ Statement indicating the relationship of the additional changes not previously reviewed by the State Land Planning Agency in response to the comment letter from the State Land Planning Agency.

**Subject:** [EXTERNAL] Lee County 19-06ESR (CPA2018-10013)

Dear Mr. Dunn:

Florida Fish and Wildlife Conservation Commission (FWC) staff has reviewed the Lee County proposed comprehensive plan amendment in accordance with Chapter 163.3184(3), Florida Statutes. At this time, our comments are limited to advisory information and recommendations for reducing potential conflicts with the Florida black bear (*Ursus americanus floridanus*) at the proposed residential development project located adjacent to and northwest of the intersection between Alico Road and I-75 in Lee County.

FWC has received 145 reports of human-bear conflicts within roughly a 5-mile radius of the project site since 2004. Florida black bears are abundant in this area, which is within the South Bear Management Unit identified in the 2012 Bear Management Plan. We would ask that the applicant review the attached document for important information related to potential measures that can be taken to avoid or minimize negative wildlife interactions during the planning, construction, and operation phases of this project.

If you need any further assistance, please do not hesitate to contact our office by email at [ConservationPlanningServices@MyFWC.com](mailto:ConservationPlanningServices@MyFWC.com). If you have specific technical questions, please contact Sean Greene at (386) 406-0814 or by email at [Sean.Greene@MyFWC.com](mailto:Sean.Greene@MyFWC.com).

Sincerely,

Ted Hoehn

**Subject:** Lee County, DEO #19-7ESR Comments on Proposed Comprehensive Plan Amendment Package

Dear Ms. Rozdolski:

The South Florida Water Management District (District) has completed its review of the proposed amendment package from Lee County (County). The package adds a 40-acre parcel to the Environmental Enhancement and Preservation Communities Overlay. The proposed changes do not appear to adversely impact the water resources within the District; therefore, the District has no comments on the proposed amendment package.

The District offers its technical assistance to the County in developing sound, sustainable solutions to meet the County's future water supply needs and to protect the region's water resources. Please forward a copy of the adopted amendments to the District. Please contact me if you need assistance or additional information.

Sincerely,

Re: Lee County 19-6ESR – Expedited State Review of Proposed Comprehensive Plan Amendment

The Office of Intergovernmental Programs of the Florida Department of Environmental Protection (Department) has reviewed the above-referenced amendment package under the provisions of Chapter 163, Florida Statutes. The Department conducted a detailed review that focused on potential adverse impacts to important state resources and facilities, specifically: air and water pollution; wetlands and other surface waters of the state; federal and state-owned lands and interest in lands, including state parks, greenways and trails, conservation easements; solid waste; and water and wastewater treatment.

Based on our review of the submitted amendment package, the Department has found no provision that, if adopted, would result in adverse impacts to important state resources subject to the Department's jurisdiction.

Please submit all future amendments by email to [Plan.Review@FloridaDEP.gov](mailto:Plan.Review@FloridaDEP.gov). If your submittal is too large to send via email or if you need other assistance, contact Lindsay Weaver at (850) 717-9037.

**RE: Lee County 19-06ESR Proposed Comprehensive Plan Amendment (CPA),  
Expedited State Review Process – FDOT Review Letter**

Dear Mr. Dunn:

The Florida Department of Transportation (FDOT), District One, has reviewed the Lee County 19-06ESR Proposed Comprehensive Plan Amendments, CPAs (locally known as CPA2018-10012 & CPA2018-10013 (Vintage Commerce Center)). The proposed CPA package was transmitted under the Expedited State Review process by the Board of County Commissioners, in accordance with the requirements of Florida Statutes Chapter 163. The following is a summary of the Department's review.

**GENERAL OVERVIEW:**

The proposed Lee County 19-06ESR CPA package consists of two (2) amendments. The proposed amendments are as follows:

- **CPA2018-10013 (Vintage Commerce Center):**

This is a map amendment, which proposes to amend the Future Land Use Map (FLUM) designation on approximately 33.95± acres from Industrial Commercial Interchange (ICI) to General Interchange (GI).

- **CPA2018-10012:**

This is a text amendment, which proposes to amend Table 1(b) 2030 population allocation to accommodate residential development on the subject property.

The proposed amendments would allow a mix of residential at a maximum density of 14 dwelling units per acre, commercial and light industrial uses on the subject property. The adopted and proposed FLU categories are similar except that the current designation does not allow residential.

The subject property encompasses approximately 33.95± acres and is generally located on the northeast corner of Alico Road and Three Oaks Parkway and is immediately west of I-75, in Lee County, Florida.

For the purpose of the proposed FLU analysis, it was assumed that retail uses will be limited to 20% of the subject property (6.79 acres), 50% of the property assumed as industrial (16.98 acres) and the remaining 30% of the subject property assumed as residential at 14 DUs/acre (10.19 acres).

It is noted that a concurrent rezoning planned development (PD) application (PD DCI2018-10022) dated August 26, 2019 is in process with the following proposed development:

- 400 Multi-Family residential dwelling units
- 350,000 square feet of commercial uses
- 300 Hotel Rooms

The rezoning application includes a Master Concept Plan depicting a right-in access within the limited access section on Alico Road between Three Oaks Parkway and I-75.

#### **FDOT REVIEW:**

Even though the property is currently vacant, the adopted land use category, Industrial Commercial Interchange, (assuming maximum development potential) would generate approximately 14,666 net new trips. According to the information provided, and based on a planning level analysis, the proposed land use category, General Interchange, (assuming the maximum potential development) would result in 12,891 net new trips.

Based upon our review of the comprehensive plan amendment, rezone application, and discussions with the applicant regarding a connection to Alico Road, the Department offers the following technical assistance comments for Lee County's consideration:

**FDOT Technical Assistance Statement #1:**

Alico Road is a limited access, six-lane median divided arterial roadway from Three Oaks Parkway to I-75, maintained by the Department. The Lee County Comprehensive Plan Future Land Use Element Policy 1.3.7 provides access control standards for this roadway, and based upon that policy, no new access would be acceptable within the Alico Road roadway segment between Three Oaks Parkway and I-75.

The applicant has requested to create a break in the Federal Highway Limited Access (LA) for the interchange of I-75 and Alico Road. The Department's position on access request of this nature is as follows:

An access point on Florida's Interstate System is defined as a break in the control of access to the right-of-way of the System. FHWA policy dictates that managing the location and design of accesses within the Federal Highway Limited Access (LA) is essential to maintaining the safety, operational, and engineering acceptability of the Interstate System, and to providing the highest level of service possible. Full control of accesses on the crossroad at an interchange is critical to providing such service because these accesses introduce points of traffic conflict creating "turbulence" in the traffic flow. As such, as stated in the FDOT Interchange Access Request Users Guide, dated January 2018, access management standards require more stringent regulation of driveway connections and median openings in interchange areas. Interchange areas are defined as either ¼ mile from the interchange, if the crossroad is a controlled-access facility (measured from the end of the ramp that is farthest from the interchange), or up to the first intersection with an arterial road, whichever is less. However, these distances may be increased on State owned crossroads at the discretion of FDOT to improve the operations and safety of the Interstate System.

Any proposal for a new access point requires adequate justification and FHWA approval. It is important to note that it is the intent of FHWA to avoid adding any access to the Interstate System that exclusively serves a narrow, private interest. An FHWA decision to approve new or revised access points must be supported by substantiated information justifying and documenting that decision. Technical analysis must clearly demonstrate the proposed change in access does not have a significant adverse impact on traffic safety and operation of the Interstate facility or on the crossroad under both current and future conditions. It is strongly recommended that before undertaking any such technical analysis, the analysis methodology be reviewed and approved by the applicable FDOT District Interchange Review Coordinator.

**FDOT Technical Assistance Statement #2:**

The interstate is a maturing system with an increasing demand. The volume of traffic traversing I-75 generates considerable impacts such as noise, odor, and glare, which affects adjacent development. The rezone application contemplates multifamily residential uses within the parcel with a 15-foot buffer along the south-bound interchange ramps. The Department encourages consideration of a more intensive buffering strategy to minimize the impacts of the existing interstate structure and future widening improvements for the proposed residential development. An example is the tiered buffering system for the Talis Park development (Collier County) adjacent to I-75 (west side) between the Bonita Beach Road and Immokalee Road Interchanges.

**FDOT Technical Assistance Statement #3:**

FDOT supports the planning and development of communities that promote the use of multimodal alternatives that aid in mitigating potential transportation impacts, promote safety and economic development, and improve quality of life for all communities in the County. These development designs decrease overall passenger vehicle trips on the roadway network by encouraging compact and dense developments that provide multimodal connectivity between existing and future development areas. This context sensitive approach promotes healthy, safe, and economically viable communities that encourages quality of life, and incorporates all modes of transportation. FDOT offers several initiatives to assist the County in creating quality developments while protecting future mobility on the regional roadway network, including "Complete Streets" and a commitment to bicycle and pedestrian safety.

The Department encourages the applicant to partner with the County, LeeTran and other neighboring property owners to improving headways to 30-60 minutes, adding Sunday service and adding additional morning trips per the recommendations presented in the LeeTran 2016 TDP as they help with the reduction of automobile dependency on the local and regional roadway network.

FDOT welcomes the opportunity to partner with and provide technical assistance to the Lee County to create multimodal transportation facilities to serve all users.

FDOT staff are immediately available to meet with you to discuss our comment and recommendation. If you have any questions or need to discuss these comments further, please contact me at (239) 225-1981 or [sarah.catala@dot.state.fl.us](mailto:sarah.catala@dot.state.fl.us).

Sincerely,

Sarah Catala  
SIS/Growth Management Coordinator  
FDOT District One

## COMPREHENSIVE PLAN AMENDMENT PROPOSED REVIEW COMMENTS

**Local Government:** Lee County  
**DEO Amendment #:** 19-06ESR

---

### FUTURE LAND USE MAP AMMENDMENT

**Elements:** Future Land Use Element  
**Rule Reference:** Chapter 163, Florida Statutes

#### Background:

#### PROJECT OVERVIEW:

The proposed Lee County 19-06ESR package consists of two (2) amendments, the proposed amendments are as follows:

- **CPA2018-10013 (Vintage Commerce Center):**  
This is a map amendment, which proposes to amend the Future Land Use Map (FLUM) designation on approximately 33.95± acres from Industrial Commercial Interchange (ICI) to General Interchange (GI).
- **CPA2018-10012:**  
This is a text amendment, which proposes to amend Table 1(b) 2030 population allocation to accommodate residential development on the subject property.

The proposed amendments would allow a mix of residential at a maximum density of 14 dwelling units per acre, commercial and light industrial uses on the subject property. The adopted and proposed FLU categories are similar except that the current designation does not allow residential.

#### **CPA2018-10012:**

The Department has reviewed the updated Table 1(b), 2030 population allocation which accommodates residential development on the subject property. The Department offers no comments on the updated Table 1(b), 2030 population allocation.

#### **CPA2018-10013 (Vintage Commerce Center):**

The Comprehensive Plan Amendment (CPA), CPA2018-10013 (Vintage Commerce Center) is a privately initiated map amendment which proposes to amend the FLUM designation on the subject property from Industrial Commercial Interchange (ICI) to General Interchange (GI). The subject property encompasses approximately 33.95± acres and is generally located on the northeast corner of Alico Road and Three Oaks Parkway and is immediately west of I-75, in Lee County, Florida.

**COMPREHENSIVE PLAN AMENDMENT PROPOSED REVIEW COMMENTS**

**Local Government:** Lee County

**DEO Amendment #:** 19-06ESR

According to the Lee County Comprehensive Plan Future Land Use Element Policy 1.3.4 (Industrial Commercial Interchange), 2019 Codification (dated May 2019), it is noted that “The Industrial Commercial Interchange areas are designated to permit a mixture of light industrial and/or commercial uses. This category does not permit heavy industrial uses. Within areas expanded beyond the existing Industrial Commercial Interchange boundaries (on January 1, 2007), retail commercial uses will be limited to 20% of the total floor area and light industrial uses will be a minimum of 50% of the total floor area”.

According to the Lee County Comprehensive Plan Future Land Use Element Policy 1.3.2 (General Interchange), it is noted that “The General Interchange areas are intended primarily for land uses that serve the traveling public: service stations, hotel, motel, restaurants, and gift shops. But because of their location, market attractions, and desire for flexibility, these interchange uses permit a broad range of land uses that include tourist commercial, general commercial, light industrial1/commercial, and multi-family dwelling units. The standard density range is from eight dwelling units per acre (8 DUs/acre) to fourteen dwelling units per acre (14 DUs/acre). Maximum bonus density is twenty-two dwelling units per acre (22 DUs/acre)”.

[jzaballero@vhb.com](mailto:jzaballero@vhb.com)

**COMPREHENSIVE PLAN AMENDMENT PROPOSED REVIEW COMMENTS**

**Local Government:** Lee County

**DEO Amendment #:** 19-06ESR

For the purpose of the proposed FLU analysis, it was assumed that retail uses will be limited to 20% of the subject property (6.79 acres), 50% of the property assumed as industrial (16.98 acres) and the remaining 30% of the subject property assumed as residential at 14 DUs/acre (10.19 acres).

It is noted that a concurrent rezoning planned development (PD) application (PD DCI2018-10022) dated August 26, 2019 is in process with the following proposed development:

- 400 Multi-Family residential dwelling units
- 350,000 square feet of commercial uses
- 300 Hotel Room

The rezoning application includes a Master Concept Plan depicting a right-in access within the limited access section on Alico Road between Three Oaks Parkway and I-75.

**TRIP GENERATION:**

The planning-level trip generation analysis evaluates the maximum development allowable on the approximately 33.95± acres property. According to the adopted FLU designation, approximately 6.79 acre of the commercial and the 27.16 acre of the general light industrial may be developed on the subject property. The adopt FLU would generate approximately 14,666 net new daily trips and 1,593 net new p.m. peak hour trips assuming a pass by rate of 30%.

According to the proposed FLU designation, the maximum allowable commercial remains unchanged at 6.79 acres, light industrial use is reduced to 16.98 acres and residential use is allowed in the remaining 10.19 acres. The Proposed FLU under maximum development potential would generate approximately 12,891 net new daily trips or 1,344 net new p.m. peak hour trips assuming internal capture of 4% and pass by trips of 30%. As a result, the proposed amendment would result in a net decrease of 1,776 net new daily trips or net decrease of 249 net new p.m. peak hour trips. The following table summarizes the maximum potential trip generation for the currently adopted and proposed FLU designations.

**TRIP GENERATION BASED ON THE APPLICANT MAXIMUM DEVELOPMENT POTENTIAL**

Scenario	Land Use Designation	Maximum Allowed Density / Intensity	Land Use Code	Size of Development		Daily Trips <sup>1</sup>	PM Peak Hour Trips <sup>1</sup>
				Acres	Allowed Development		
Adopted	COM	0.2 FAR	820	6.79	295,772 SF	12,568	1,212
	IND	0.8 FAR	110	27.16	1,183,089 SF	5,868	745

## COMPREHENSIVE PLAN AMENDMENT PROPOSED REVIEW COMMENTS

**Local Government:** Lee County  
**DEO Amendment #:** 19-06ESR

---

### TRANSIT CONNECTIVITY:

The subject property is adjacent to LeeTran Route 60. The nearest Route 60 bus stop is located approximately 650 feet from the property along Three Oaks Parkway. Route 60 traverses along Constitution Boulevard, Lee Road, Alico Road, Three Oaks Parkway, Corkscrew Road, Ben Hill Griffin Parkway, FGCU Lake Parkway W. and Gulf Center Drive. The site is within the ¼-mile fixed route corridor and ¾-mile Americans with Disabilities Act (ADA) corridor. Currently, Route 60 operates Monday thru Saturday with headways varying between 45 minutes to 85 minutes between 6:20 a.m. and 9:45 p.m.

The LeeTran 2016 Transit Development Plan (TDP) recommends improving frequencies to 30-60 minutes, adding Sunday service and adding additional morning trips but these improvements are currently not funded.

The Department recommends the applicant to partner with the County, LeeTran and other neighboring property owners to include additional bus stops to Route 60, along Alico Road, between I-75 WB Ramps and the Three Oaks Parkway or adding a new transit route with bus stops along the nearby roadways to service the residents of the proposed development and surrounding area, as they help with the reduction of automobile dependency on the local and regional roadway network.

### PEDESTRIAN CONNECTIVITY:

Sidewalks are present along Alico Road on the south side from SR 45/US 41 to Ben Hill Griffin Parkway and on the north side from Three Oaks Parkway to Ben Hill Griffin Parkway. Sidewalks are also present on both sides of Three Oaks Parkway from Estero Parkway to the northern terminus north of Oriole Road. Bike lanes are provided on Alico Road from SR 45/US 41 to Ben Hill Griffin Parkway and along Three Oaks Parkway from Estero Parkway to the northern terminus north of Oriole Road.

Consistent with Lee County Comprehensive Plan Transportation Element Policies 39.6.1-4, the Department recommends that sidewalks and/or bicycle lanes be included as part of the subject development plan, as well as any future development plans, to encourage connectivity to the development. It is also recommended that the applicant coordinates with the County and the neighboring development owners to construct a robust interconnected multi-modal transportation network (bicycle and pedestrian facilities) to encourage connectivity to the development.

**COMPREHENSIVE PLAN AMENDMENT PROPOSED REVIEW COMMENTS**

**Local Government:** Lee County

**DEO Amendment #:** 19-06ESR

---

**LAND USE:**

The surrounding properties to the north and west have a FLU of Industrial Commercial interchange and Industrial Development. Properties to the southwest and south have a FLU designation of Urban Community. Properties to the southeast and east have a FLU designation of University Village Interchange and Industrial Commercial Interchange, respectively.

**SCHOOL:**

The proposed development site is within the South Choice Zone, Sub-Zone S2. The following schools are the closest public schools to the subject property:

Elementary Schools:

- San Carlos Park Elementary school (approximately 1.2 miles southwest)

Middle School:

- Three Oaks Middle School (approximately 1.5 miles south).

High Schools:

- Island Park High School (approximately 3.7 miles west).

The Department recommends that sidewalks and/or bicycle lanes be included as part of the subject development plan, as well as any future development plans to provide safe connection between the students attending the surrounding schools and the school buses serving the subject property and the surrounding areas.
