Brandon,

Per our conversation last week, this -mail is to request a 30-day extension for submittal of responses to the October 26th insufficiency letter. As I mentioned in our conversation, we have been diligently working on the submittal of the zoning application to run concurrent with the plan amendment. The zoning was just submitted earlier this week and we are now focused on fully answering the questions in your letter.

Should you have any questions, please do not hesitate to contact me.

Best regards.
