SUBJECT: Request for Extension to the Planning Review Deadline

Dear Mr. Dunn:

We are requesting an extension to the 90 day planning review deadline from the insufficiency letter dated March 16, 2022, for the above subject project.

The extension is being requested as we would like to submit the rezoning application for this project concurrently with the responses to comments. This extension will allow us time to submit a complete rezoning application and obtain the required supplementary documents.
