

EXHIBIT C

Response to April 24, 2023 Lee County Insufficiency Letter Request #2

As per the guidance provided by Condition 8 of Zoning Resolution Z-22-020, the establishment will operate between 11 a.m. and 9 p.m. The establishment will host light, live music periodically, and will utilize software that permits the operator to monitor the decibel levels so as to ensure that the music stays within the limits of Lee County Noise Ordinance 14-18.
