Dear Ms. Workman,

We are in receipt of staff's sufficiency letter dated October 4, 2023 for the above referenced project. The formal request as outlined below has been reviewed and accurately describes the rezoning request. In addition, the tentative public hearing date of December 7, 2023 at 1:00 pm is acceptable.

Request to rezone three lots from Industrial (IL), Agricultural (AG-2), Commercial (C-2), and Commercial Planned Development (CPD) to Commercial Planned Development (CPD).

Please note that TDM made an error in the original application – the correct spelling of the project is BluWave Express. If possible, please use the correct spelling from here on out for consistency going forward.

Sincerely,

TDM CONSULTING, INC.
