Re: Pratt's Preserve RPD
DCI2023-00027 - Amendment

Dear Daniel DeLisi AICP:

The Zoning Section has reviewed the information provided and supplemented for the request referenced above. The application is now sufficient and the formal request has been drafted from your application as follows:

Rezone approximately 31.46 acres from Residential Planned Development (RPD) and Agricultural (AG-2) to Residential Planned Development (RPD) to add approximately 4.77 acres and 20 residential units to the already approved RPD. Total development will be 155 single family units on 31.46 acres.

Please review this language carefully, and notify me in writing by October 18, 2023 whether or not this wording is satisfactory. The staff report is now being prepared. This request has been tentatively scheduled for public hearing before the Lee County Hearing Examiner on December 07, 2023. However, please note that this is a tentative date that is subject to change and that Lee County will be held harmless for any potential delay in effectuating compliance with the tentative hearing date.

Sincerely,

DEPARTMENT OF COMMUNITY DEVELOPMENT
Zoning Section
