ADD2023-00145
Project Name: Prestino at Miromar Lakes

Dear Mr. Pappas,

Development Services has reviewed the information provided for the above-referenced application. The Lee County Land Development Code (LDC) requires additional information for the application to be sufficient. Please respond to each requirement not satisfied on the attached checklist.

If you do not provide the requested supplements or corrections within 30 calendar days of this letter, the Code requires that this application be considered withdrawn.

If you have any questions, please contact me at (239) 533-8322 or Lhickey@leegov.com.

Environmental Review:

1. Please label Phase 9 as "previously known as Capri" on the MCP to offer clarification.
2. Please describe why the total linear feet is increasing. Staff understands that the site plan has changed; however, the applicant must explain why the calculations are different than ADD2020-00128 and provide more details.

Please contact Camryn Siverson at CSiverson@leegov.com or by calling (239) 533-8313 with any questions regarding the above review comments.

Sincerely,
DEPARTMENT OF COMMUNITY DEVELOPMENT
