**RE: CPA2022-00017 and CPA2022-00018 - Caloosa 80 Map and Text Amendment**

Dear Ms. Crespo:

The above noted case was previously found sufficient on September 11, 2023. However, staff notes that the public information meeting required in Policy 17.3.3, within the boundaries of the North Olga community plan area, has not been conducted. In accordance with Policy 17.3.2 the public information meeting must be conducted prior to an application being found complete. Therefore, the finding of sufficiency has been revoked and the case has been deemed insufficient.

A public hearing date before the Local Planning Agency will not be scheduled until a complete application is submitted. If you do not provide the requested information or request an extension within 60 calendar days of this letter, this application will be considered withdrawn.

If you have any questions or require additional information, please contact me at (239) 533-8890.
