Attn. David Wagley

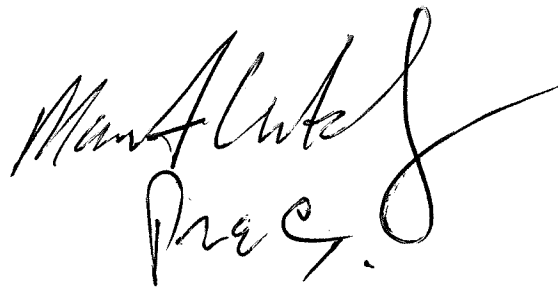

At our Olga Community Club meeting on Saturday, January 6 we discussed the proposed Old Olga Sidewalk project from South Olga to Palm Beach Blvd. As one of the communities most benefiting from this project, we want to support this project. We have nominated Robert Johnson, one of our members, to be our organization representative for this project. He has agreed to submit our support and keep us informed of progress.

Thank you for your consideration of this important safety and civic project!
