### **RE: CPA2022-00010 and CPA2022-00011 – Daniels Town Square Map and Text Amendments**

Dear Mr. Drovdlc:

The above noted case was previously found sufficient on June 14, 2023; however, the ownership/applicant for the case appears to have changed since the sufficiency letter was issued. The finding of sufficiency is therefore revoked, and the case will be deemed insufficient until the application materials addressing ownership and applicant are provided.

A public hearing date before the Local Planning Agency will not be scheduled until a complete application is submitted. If you do not provide the requested information or request an extension within 60 calendar days of this letter, this application will be considered withdrawn.

If you have any questions or require additional information, please contact me at (239) 533-8890.
