### RE: CPA2024-00006 Horizon Tamiami

Dear Ms. Martin:

Staff has reviewed the application resubmittal for Map Amendment CPA2024-00006, stamped "received" on May 12, 2025. Planning staff finds that the application materials are insufficient and further information is required for review.

### ENVIRONMENTAL COMMENTS

1. Repeat Comment: Provide a table of plant communities by FLUCCS with the potential to contain species (plant and animal) listed by federal, state or local agencies as endangered, threatened or species of special concern. The table must include the listed species by FLUCCS and the species status (same as FLUCCS map). The FLUCCS map provided does not address this comment.

Public hearings will not be scheduled until a complete application is submitted. If you do not provide the requested supplements of corrections within 90 days of this letter, this application will be considered withdrawn. Contact planning staff at (239) 533-8362 or kburgess@leegov.com with any questions.

Respectfully,

A handwritten signature in blue ink that reads "Kate Burgess".
