Re: Amendments to the Lee Plan
Adoption Submission Package (DCA No. 01-1) for the 2000/2001 Regular Comprehensive
Plan Amendment Cycle

Dear Mr. Eubank:

In accordance with the provisions of F.S. Chapter 163.3184 and of 9J-11.011, this submission package constitutes the adopted 2000/2001 Regular Comprehensive Plan Amendment Cycle to the Lee Plan (DCA No. 01-1), known locally as PAT 99-14, PAT 99-20, CPA 2000-03, CPA 2000-06, CPA 2000-07, CPA 2000-08, CPA 2000-09, CPA 2000-10, CPA 2000-11, CPA 2000-13, CPA 2000-14, CPA 2000-17, CPA 2000-21, CPA 2000-22, CPA 2000-23, CPA 2000-25, CPA 2000-26, CPA 2000-29, CPA 2000-31, CPA 2000-02, CPA 2000-15, CPA 2000-19 and CPA 2000-27. The adoption hearing for these plan amendments was held at 9:30 am on January 10, 2002.

Included with this package, per 9J-11.011(5), are three copies of the adopted amendments, supporting data and analysis, and the following five adopting ordinances: Ordinance No. 02-02, Ordinance No. 02-03, Ordinance No. 02-04, Ordinance No. 02-05, and Ordinance No. 02-06. By copy of this letter and its attachments I certify that this amendment has been sent to the Regional Planning Council, the Florida Department of Transportation (FDOT), the Department of Environmental Protection, the Florida Department of State, the Florida Fish and Wildlife Conservation Commission, the Department of Agriculture and Consumer Services, Division of Forestry, and the South Florida Water Management District.

The initial staff reports for the proposed amendments were sent to the DCA with a transmittal cover letter dated September 12, 2001. Only one amendment, PAM 98-06, previously reviewed and objected to by the Department in this current cycle of amendments, was not adopted by the Board of County Commissioners. In addition, changes have occurred in CPA 2000-02, CPA 2000-15, CPA 2000-19 and CPA 2000-27. Revisions in CPA 2000-02 were made in response to objections raised by the Department in the ORC Report. The revisions clarify permitted uses in the Boca Bay Community. In amendment CPA 2000-15 golf maintenance building setbacks

adjacent to residential uses within the DR/GR land use category have been increased for compatibility purposes. The Board of County Commissioners made changes to CPA 2000-19 in response to the representatives of the Estero Planning Community Effort clarifying the status of night clubs in the community, mitigation banking options in the community, and removing the requirement of Mixed Planned Development zoning outside of commercial nodes. CPA 2000-27 has added a new table reflecting the new 2002/2006 fiscal year to the CIP. The Board of County Commissioners adopted CPA 2000-02, CPA 2000-15, CPA 2000-19 and CPA 2000-27 with the noted changes.

If you have any questions, or if I can be of any assistance in this matter, please feel free to call me at the above telephone number.

Sincerely,
DEPT. OF COMMUNITY DEVELOPMENT

LEE COUNTY ORDINANCE NO. 02-02

AN ORDINANCE AMENDING THE LEE COUNTY COMPREHENSIVE PLAN, COMMONLY KNOWN AS THE "LEE PLAN" AS ADOPTED BY ORDINANCE NO. 89-02, AS AMENDED, SO AS TO ADOPT CERTAIN SPECIFIC AMENDMENTS APPROVED IN CONJUNCTION WITH ADOPTION OF LEE COUNTY'S 2000/2001 REGULAR COMPREHENSIVE PLAN AMENDMENT CYCLE; PROVIDING FOR AMENDMENTS TO THE ADOPTED TEXT AND MAPS; PROVIDING FOR PURPOSE AND SHORT TITLE; PROVIDING FOR ADOPTION OF THE SPECIFIED AMENDMENTS TO THE LEE COUNTY COMPREHENSIVE PLAN; PROVIDING FOR THE LEGAL EFFECT OF "THE LEE PLAN"; PROVIDING FOR GEOGRAPHICAL APPLICABILITY; PROVIDING FOR SEVERABILITY, CODIFICATION, SCRIVENER'S ERRORS, AND AN EFFECTIVE DATE.

WHEREAS, the Lee County Comprehensive Plan (hereinafter referred to as the "Lee Plan") Policy 2.4.1 and Chapter XIII, provides for adoption of Plan Amendments with such frequency as may be permitted by applicable state statutes, in accordance with such administrative procedures as the Board of County Commissioners may adopt; and,

WHEREAS, the Lee County Board of County Commissioners, in accordance with Section 163.3181, Florida Statutes, and Lee County Administrative Code AC-13-6 further provides an opportunity for individuals to participate in the plan amendment public hearing process; and,

WHEREAS, the Lee County Local Planning Agency (hereinafter referred to as the "LPA") held statutorily prescribed public hearings pursuant to Chapter 163, Part II, Florida Statutes, and Lee County Administrative Code AC-13-6 on January 22, 2001, February 26, 2001, March 26, 2001, April 23, 2001, June 4, 2001, June 25, 2001, and July 23, 2001; and,

WHEREAS, the Board of County Commissioners, pursuant to Chapter 163, Part II, Florida Statutes, and Lee County Administrative Code AC-13-6, held a statutorily prescribed public hearing for the transmittal of the proposed amendments on August 29,

2001; and at that hearing approved a motion to send, and did later send, the proposed amendments to the Florida Department of Community Affairs (hereinafter referred to as "DCA") for review and comment pursuant to Chapter 163, Part II, Florida Statutes; and,

WHEREAS, at the August 29, 2001 meeting, pursuant to Chapter 163, Part II, Florida Statutes, the Board of County Commissioners did announce its intention to hold a public hearing after the receipt of DCA's written comments commonly referred to as the "ORC Report," which were later received on November 21, 2001 by the Chairman of the Lee County Board of County Commissioners; and,

WHEREAS, the Board of County Commissioners during its statutorily prescribed public hearing for the plan amendments on January 10, 2002, moved to adopt the proposed amendments as more particularly set forth herein.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF LEE COUNTY, FLORIDA, THAT:

SECTION ONE: PURPOSE, INTENT AND SHORT TITLE

The Board of County Commissioners of Lee County, Florida, in compliance with Chapter 163, Part II, Florida Statutes, and with Lee County Administrative Code AC-13-6, has conducted a series of public hearings to review the proposed amendments to the Lee Plan. The purpose of this ordinance is to adopt those amendments to the Lee Plan discussed at those meetings and approved by a majority of the Board of County Commissioners. The short title and proper reference for the Lee County Comprehensive Plan, as hereby amended, will continue to be the "Lee Plan." This ordinance may be referred to as the "2000/2001 Regular Comprehensive Plan Amendment Cycle Consent Ordinance."

SECTION TWO: ADOPTION OF LEE COUNTY'S 2000/2001 REGULAR COMPREHENSIVE PLAN AMENDMENT CYCLE

The Lee County Board of County Commissioners hereby amends the existing Lee Plan, adopted by Ordinance Number 89-02, as amended, by adopting amendments, as revised by the Board of County Commissioners on January 10, 2002, known as PAT 99-14, PAT 99-20, CPA 2000-03, CPA 2000-06, CPA 2000-07, CPA 2000-08, CPA 2000-09, CPA 2000-10, CPA 2000-11, CPA 2000-13, CPA 2000-14, CPA 2000-17, CPA 2000-21, CPA 2000-22, CPA 2000-23, CPA 2000-25, CPA 2000-26, CPA 2000-29, and CPA 2000-31, which amend the text of the Lee Plan as well as the Future Land Use Map series, the Transportation Map series, and the tables of the Lee Plan.

In addition, the above-mentioned Staff Reports and Analysis, along with all attachments for these amendments are hereby adopted as "Support Documentation" for the Lee County Comprehensive Plan.

SECTION THREE: LEGAL EFFECT OF THE "LEE PLAN"

No public or private development will be permitted except in conformity with the Lee Plan. All land development regulations and land development orders must be consistent with the Lee Plan as so amended.

SECTION FOUR: GEOGRAPHIC APPLICABILITY

The Lee Plan is applicable throughout the unincorporated area of Lee County, Florida, except in those unincorporated areas included in any joint or interlocal agreements with other local governments that specifically provide otherwise.

SECTION FIVE: SEVERABILITY

The provisions of this ordinance are severable and it is the intention of the Board of County Commissioners of Lee County, Florida, to confer the whole or any part of the powers herein provided. If any of the provisions of this ordinance are held unconstitutional by a court of competent jurisdiction, the decision of that court will not affect or impair the remaining provisions of this ordinance. It is hereby declared to be the legislative intent of the Board of County Commissioners that this ordinance would have been adopted had such unconstitutional provisions not been included therein.

SECTION SIX: INCLUSION IN CODE, CODIFICATION, SCRIVENERS' ERROR

It is the intention of the Board of County Commissioners that the provisions of this ordinance will become and be made a part of the Lee County Code. Sections of this ordinance may be renumbered or relettered and the word "ordinance" may be changed to "section," "article," or such other appropriate word or phrase in order to accomplish such intention; and regardless of whether such inclusion in the code is accomplished, sections of this ordinance may be renumbered or relettered. The correction of typographical errors that do not affect the intent, may be authorized by the County Manager, or his or her designee, without need of public hearing, by filing a corrected or recodified copy with the Clerk of the Circuit Court.

SECTION SEVEN: EFFECTIVE DATE

The plan amendments adopted herein are not effective until a final order is issued by the DCA or Administration Commission finding the amendment in compliance with Section 163.3184, Florida Statutes, whichever occurs earlier. No development orders, development permits, or land uses dependent on this amendment may be issued or

commence before it has become effective. If a final order of noncompliance is issued by the Administration Commission, this amendment may nevertheless be made effective by adoption of a resolution affirming its effective status, a copy of which resolution will be sent to the DCA, Bureau of Local Planning, 2555 Shumard Oak Boulevard, Tallahassee, Florida 32399-2100.

THE FOREGOING ORDINANCE was offered by Commissioner Judah who moved its adoption. The motion was seconded by Commissioner St. Cerny and, when put to a vote, the vote was as follows:

LEE COUNTY ORDINANCE NO. 02-04

AN ORDINANCE AMENDING THE LEE COUNTY COMPREHENSIVE PLAN, COMMONLY KNOWN AS THE "LEE PLAN" AS ADOPTED BY ORDINANCE NO. 89-02, AS AMENDED, SO AS TO ADOPT THAT AMENDMENT KNOWN LOCALLY AS CPA 2000-15 APPROVED IN CONJUNCTION WITH ADOPTION OF LEE COUNTY'S 2000/2001 REGULAR COMPREHENSIVE PLAN AMENDMENT CYCLE; PROVIDING FOR AMENDMENTS TO THE ADOPTED TEXT AND MAPS; PROVIDING FOR PURPOSE AND SHORT TITLE; PROVIDING FOR ADOPTION OF THE SPECIFIED AMENDMENT TO THE LEE COUNTY COMPREHENSIVE PLAN; PROVIDING FOR THE LEGAL EFFECT OF "THE LEE PLAN"; PROVIDING FOR GEOGRAPHICAL APPLICABILITY; PROVIDING FOR SEVERABILITY, CODIFICATION, SCRIVENER'S ERRORS, AND AN EFFECTIVE DATE.

WHEREAS, the Lee County Comprehensive Plan (hereinafter referred to as the "Lee Plan") Policy 2.4.1 and Chapter XIII, provides for adoption of Plan Amendments with such frequency as may be permitted by applicable state statutes, in accordance with such administrative procedures as the Board of County Commissioners may adopt; and,

WHEREAS, the Lee County Board of County Commissioners, in accordance with Section 163.3181, Florida Statutes, and Lee County Administrative Code AC-13-6 further provides an opportunity for individuals to participate in the plan amendment public hearing process; and,

WHEREAS, the Lee County Local Planning Agency (hereinafter referred to as the "LPA") held statutorily prescribed public hearings pursuant to Chapter 163, Part II, Florida Statutes, and Lee County Administrative Code AC-13-6 on January 22, 2001; and,

WHEREAS, the Board of County Commissioners, pursuant to Chapter 163, Part II, Florida Statutes, and Lee County Administrative Code AC-13-6, held a statutorily prescribed public hearing for the transmittal of the proposed amendments on August 29, 2001, and at that hearing approved a motion to send, and did later send, the proposed

amendments to the Florida Department of Community Affairs (hereinafter referred to as "DCA") for review and comment pursuant to Chapter 163, Part II, Florida Statutes; and,

WHEREAS, at the August 29, 2001 meeting, pursuant to Chapter 163, Part II, Florida Statutes, the Board of County Commissioners did announce its intention to hold a public hearing after the receipt of DCA's written comments commonly referred to as the "ORC Report," which were later received on November 21, 2001 by the Chairman of the Lee County Board of County Commissioners; and,

WHEREAS, the Board of County Commissioners during its statutorily prescribed public hearing for the plan amendments on January 10, 2002, moved to adopt the proposed amendments as more particularly set forth herein.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF LEE COUNTY, FLORIDA, THAT:

SECTION ONE: PURPOSE, INTENT AND SHORT TITLE

The Board of County Commissioners of Lee County, Florida, in compliance with Chapter 163, Part II, Florida Statutes, and with Lee County Administrative Code AC-13-6, has conducted a series of public hearings to review the proposed amendments to the Lee Plan. The purpose of this ordinance is to adopt those amendments to the Lee Plan discussed at those meetings and approved by an absolute majority of the Board of County Commissioners. The short title and proper reference for the Lee County Comprehensive Plan, as hereby amended, will continue to be the "Lee Plan." This ordinance may be referred to as the "2000/2001 Regular Comprehensive Plan Amendment Cycle CPA 2000-15 Ordinance."

SECTION TWO: ADOPTION OF LEE COUNTY'S 2000/2001 REGULAR
COMPREHENSIVE PLAN AMENDMENT CYCLE

The Lee County Board of County Commissioners hereby amends the existing Lee Plan, adopted by Ordinance Number 89-02, as amended, by adopting amendments, as revised by the Board of County Commissioners on January 10, 2002, known as CPA 2000-15, which amend the text of the Lee Plan as well as the Future Land Use Map series of the Lee Plan.

In addition, the above-mentioned Staff Report and Analysis, along with all attachments for this amendment are hereby adopted as "Support Documentation" for the Lee County Comprehensive Plan.

SECTION THREE: LEGAL EFFECT OF THE "LEE PLAN"

No public or private development will be permitted except in conformity with the Lee Plan. All land development regulations and land development orders must be consistent with the Lee Plan as so amended.

SECTION FOUR: GEOGRAPHIC APPLICABILITY

The Lee Plan is applicable throughout the unincorporated area of Lee County, Florida, except in those unincorporated areas included in any joint or interlocal agreements with other local governments that specifically provide otherwise.

SECTION FIVE: SEVERABILITY

The provisions of this ordinance are severable and it is the intention of the Board of County Commissioners of Lee County, Florida, to confer the whole or any part of the powers herein provided. If any of the provisions of this ordinance are held unconstitutional

by a court of competent jurisdiction, the decision of that court will not affect or impair remaining provisions of this ordinance. It is hereby declared to be the legislative intent of the Board of County Commissioners that this ordinance would have been adopted had such unconstitutional provisions not been included therein.

SECTION SIX: INCLUSION IN CODE, CODIFICATION, SCRIVENERS' ERROR

It is the intention of the Board of County Commissioners that the provisions of this ordinance will become and be made a part of the Lee County Code. Sections of this ordinance may be renumbered or relettered and the word "ordinance" may be changed to "section," "article," or such other appropriate word or phrase in order to accomplish such intention; and regardless of whether such inclusion in the code is accomplished, sections of this ordinance may be renumbered or relettered. The correction of typographical errors that do not affect the intent, may be authorized by the County Manager, or his or her designee, without need of public hearing, by filing a corrected or recodified copy with the Clerk of the Circuit Court.

SECTION SEVEN: EFFECTIVE DATE

The plan amendments adopted herein are not effective until a final order is issued by the DCA or Administration Commission finding the amendment in compliance with Section 163.3184, Florida Statutes, whichever occurs earlier. No development orders, development permits, or land uses dependent on this amendment may be issued or commence before it has become effective. If a final order of noncompliance is issued by the Administration Commission, this amendment may nevertheless be made effective by adoption of a resolution affirming its effective status, a copy of which resolution will be sent to the DCA, Bureau of Local Planning, 2555 Shumard Oak Boulevard, Tallahassee, Florida 32399-2100.

THE FOREGOING ORDINANCE was offered by Commissioner Judah who moved its adoption. The motion was seconded by Commissioner St. Cerny and, when put to a vote, the vote was as follows:

PART I - BACKGROUND AND STAFF RECOMMENDATION

A. SUMMARY OF APPLICATION

1. APPLICANT:

LEE COUNTY BOARD OF COUNTY COMMISSIONERS
REPRESENTED BY LEE COUNTY DIVISION OF PLANNING

2. REQUEST:

Amend the Future Land Use Map (FLUM) series, Map 1, to more closely reflect the Town of Fort Myers Beach adopted Future Land Use Map.

B. STAFF RECOMMENDATION AND FINDINGS OF FACT SUMMARY

1. RECOMMENDATION:

Planning staff recommends that the Board of County Commissioners transmit this proposed amendment.

2. BASIS AND RECOMMENDED FINDINGS OF FACT:

- The designations used on the Lee County FLUM do not accurately reflect the future land use goals of the Town's residents.

- The categories used in the Fort Myers Beach Future Land Use Map are intended for different purposes than the Lee County Future Land Use categories. The Town's categories are targeted specifically for conditions on Estero Island, whereas the County categories were created for use in the entire County and have to address a broader range of conditions. As such, there are no exact matches between the two. Some Fort Myers Beach Categories such as Boulevard and Pedestrian Commercial have only approximate matches with Lee County FLUM categories.
- The two sets of categories do not completely match each other spatially. There is a need to adjust the boundaries of the Lee County FLUM categories to more closely match the Fort Myers Beach categories.

C. BACKGROUND INFORMATION

In 1990, the Department of Community Affairs (DCA) required Lee County to modify its' future land use map designations within the cities of Fort Myers and Cape Coral to more closely correspond with their adopted future land use maps. The County FLUM already corresponded to the City of Sanibel FLUM. The Town of Fort Myers Beach subsequently incorporated and on January 1, 1999 a new Future Land Use Map for the Town of Fort Myers Beach became effective. Staff compared the Lee County FLUM with the Town of Fort Myers Beach FLUM and found significant variations between them. In order to remain consistent with the requirements of the DCA and to make the Lee County FLUM a more accurate representation of its' municipalities' FLUMs, the Board of County Commissioners initiated this amendment on September 19, 2000.

In 1984 Lee County adopted its' first Future Land Use Map. On this map, all of Estero Island was designated Urban Community.

In 1989, citizens of Estero Island expressed concern for the levels of development on the island and formed the Fort Myers Beach Land Use Committee to address their concerns. The committee believed that too much commercial development and overly dense residential development threatened the distinctive quality of life for the island residents. In September of 1990, The Beach Plan, a future land use study for San Carlos and Estero Islands, was submitted to staff as a proposed Lee Plan amendment.

The eventual outcomes of this plan were the adoption of Goal 18 in the Lee Plan and changes to the Lee Plan FLUM. Goal 18 addressed quality of life concerns as well as natural resources, future land uses, transportation, recreation and beautification among other concerns. Natural resource policies addressed beach renourishment, water quality, fishing restrictions, and dredging. Transportation policies addressed pedestrian access, public transit, traffic circulation, and parking facilities. Recreation and beautification policies addressed trash and debris removal, beach access, natural preservation and conservation, landscaping, historic preservation, and impervious surfaces. Community facility policies addressed wastewater treatment and potable water delivery.

This new goal addressed the FLUM designations on Estero Island and justified the categories chosen. The intent of the future land use objective was to limit both commercial development and residential densities. Areas designated Suburban would not receive any new commercial development and would be limited to 6 dwelling units per acre. The intent of the Urban

Community designation was to allow commercial development to occur but to prevent it from intruding upon existing residential areas. Toward this end all areas zoned for commercial use were designated Urban Community while residential neighborhoods were designated Suburban. Subsequent to the adoption of this objective, a large part of the Matanzas Pass Preserve was redesignated Conservation Lands as part of Lee Plan Amendment PAM/T 96-08.

The Town FLUM uses a different set of future land use categories than Map 1 of the Lee County FLUM. The Lee County FLUM series currently shows five categories within the municipal limits of the Town of Fort Myers Beach (Table 1). These are: Urban Community, Suburban, Public Facilities, Wetlands, and Conservation Lands. The Outlying Suburban and Central Urban categories are included on the table for later reference. A significant difference between Urban Community and Suburban is that the former allows greater commercial development. The main difference between Suburban and Outlying Suburban is the permitted residential density. The Conservation Lands category is subdivided into the Uplands and Wetlands sub-categories. The Central Urban and Urban Community categories are similar in nature, the former is intended to reflect the "urban core" areas of the County and allows greater residential density.

Table 1. Lee County FLUM Categories on Estero Island		
FLUM Category	Maximum Density	Notes
Central Urban*	10 units per acre	No bonus density on the islands
Urban Community	6 units per acre	No bonus density on the islands
Suburban	6 units per acre	No bonus density
Public Facility	0	
Wetlands	1 unit per 20 Acres	No bonus density
Conservation Lands	0	
Outlying Suburban*	3 units per acre	No bonus density

* *Proposed for inclusion on Estero Island.*

The eight FLUM categories adopted by the Town of Fort Myers Beach are:

Low Density

Applied to existing subdivisions with an established low-density character (primarily single-family homes). The only commercial uses allowed are home occupations.

Mixed Residential

Applied to older subdivisions with mixed housing types on smaller lots, and to newer high-rise buildings. Commercial activities are limited to lower impact uses such as offices and motels.

Boulevard

A mixed-use district along portions of Estero Boulevard, including less-intense commercial areas and mixed housing types.

Pedestrian Commercial

A primarily commercial district applied to the intense activity centers of Times Square (including Old San Carlos and nearby portions of Estero Boulevard) and the area around the Villa Santini Plaza.

Marina

Water access services, primarily for pleasure boating, including related accessory uses provided they don't displace marina services. Cruise ships and similar uses that draw large amounts of vehicular traffic are not permitted in this category

Recreation

Applied to public parks, public swimming pools, elementary schools, undevelopable portions of the Bay Beach golf course, and Gulf beaches (those portions seaward of the 1978 coastal construction control line).

Wetlands

A conservation district applied to all remaining wetlands.

Tidal Water

Applied to all saltwater canals and all waters surrounding Estero Island that lie within the municipal boundary (out 1,000 feet from the shoreline).

PART II - STAFF ANALYSIS

A. STAFF DISCUSSION

The first step in this analysis was to compare the different classification systems for compatibility. The stated intent of each category was considered, as were the types of permitted development and housing density. Also considered was each categories' ability to reflect the intent of The Beach Plan. The next step was to compare the geographic similarity of the two classification systems and find locations on the Fort Myers Beach FLUM that used different boundary lines than the Lee County FLUM. It should be noted that on the Town FLUM, the canals and waterways are designated Tidal Water whereas on the County FLUM the canals are given the same designation as the land on either side. If there are different categories on either side, the boundary is drawn down the middle of the canal. This is the same practice used on the rest of the County FLUM. The Town's FLUM is attached to this document for comparison (Attachment 2).

Table 2. Fort Myers Beach FLUM categories		
FLUM Category	Maximum Density	Notes
Low Density	4 units per acre	
Mixed Residential	6 units per acre	10 units per acre in platted overlays
Boulevard	6 units per acre	10 units per acre in platted overlays
Pedestrian Commercial	6 units per acre	10 units per acre in platted overlays
Marina	0	
Recreation	1 unit per 20 acres	No new residential
Wetlands	1 unit per 20 acres	
Tidal Water	0 units per acre	

Residential density was a problem because the two classification systems use somewhat different limits. The Town allows 4 units per acre in low density areas, 6 in other categories, and 10 units per acre in special platted overlays (table 2). This does not exactly match the Lee County system, which allows 3 units per acre in Outlying Suburban, 6 units per acre in Suburban, and 6 units per acre in Urban Community that can be increased to 10 units with bonus density (table 1). This bonus density, however, is not allowed on islands as specified in LDC section 34-1511. However, staff believes that the Outlying Suburban designation better reflects the intent of the Low Density category used by the Town FLUM. Likewise, the County Suburban designation best suits the Towns' Mixed Residential category.

The Town has designated four different areas as Boulevard. The Boulevard category is intended to have commercial activity so Suburban and Outlying Suburban are not appropriate. But, the commercial intensity is supposed to be low, so the Central Urban category is too intense. Urban Community is intended to have residential and commercial activity and falls between Central Urban and Suburban. Therefore, the best match for Boulevard in the County classification system is Urban Community.

The Towns' Pedestrian Commercial category is best matched by Central Urban on the County FLUM. Although the permitted densities and uses vary between the two categories, the Central Urban designation best reflects the Town's desire to keep the most intense development within the two commercial nodes at each end of the island. The northern area of the island surrounding Times Square is intended to be the Towns' "urban core." The Central Urban FLUM category is intended to reflect urban core areas.

There are two areas that the Town has designated Marina. Due to the commercial nature of these areas, the Urban Community category is the best match on the County FLUM. The marinas are not residential so Suburban and Outlying Suburban are not appropriate. The commercial intensity that the Town desires for these areas, however, is not enough to rate the Central Urban category.

The Recreation category used by the Town is more difficult to match for two reasons. First, it covers a wide range of uses. Second, there is no criterion in the Beach Plan that a property be publicly owned to receive the Recreation designation. The public beaches on the gulf side of the island are shown as Recreation on the Towns' FLUM but as Public Facility on the County FLUM. The Town uses the coastal control line created by the Department of Environmental Protection as the landward boundary for this category. Therefore, the Public Facilities designation on the gulf-side beaches is proposed to also follow this line. In addition, the Town FLUM more accurately reflects the outcome of past beach erosion, accretion, and renourishment. Staff recommends that the County FLUM do the same. The Town also designated the upland portions of Matanzas Pass Preserve as Recreation. However, on the County FLUM, these were designated Upland Conservation Lands by Lee Plan amendment PAM/T 96-08. Staff proposes that these areas remain in that category. Bay Beach Golf Course is also designated Recreation on the Town FLUM. However, since it is not a publicly owned parcel, it does not meet the criteria for the County designation of Public Facility. Therefore, staff proposes the golf course parcel remain in the Suburban category on the County FLUM. Likewise, parcel 24-46-23-W3-0050B.0100, at 815 Estero Boulevard just northeast of Lynn Hall Memorial Park is privately owned but listed as Recreation by the Town FLUM. It is vacant as of this report. Staff also proposes to keep this parcel in the Suburban category.

The island also contains several areas listed as wetlands on the Towns' FLUM. The wetlands in the Matanzas Pass Preserve are Designated Wetland Conservation Lands on the County FLUM and staff believes they should stay that way. Except for areas mentioned below, the Towns' FLUM depicts wetlands more accurately than the County FLUM. Staff proposes that the areas designated Wetland on the Town FLUM be designated as Wetlands on the County FLUM.

There are several locations where conditions are unusual and further explanation is helpful. Staff has prepared a series of maps to illustrate the difference between the existing and proposed FLUM designations. Maps 1a and 1b show all of Estero Island with specific areas outlined and the extent of the larger-scale maps shown. Map 1a shows the current FLUM designations and map 1b shows the proposed designations. Maps 2a and 3a are more detailed maps showing the current FLUM designations of the areas proposed for amendment. Maps 2b and 3b show the proposed FLUM designations of those same areas.

Area 1

This area is in a bayside lagoon between Widgeon Terrace and Bay Village Drive, parcel 33-46-24-W2-00001.0000. The area also cuts across parcel lines around the end of Indian Bayou Drive. The Lee County FLUM shows this as Suburban (see map 3a). The Fort Myers Beach Map designates it Wetland (see Attachment 2). The Towns' designation is more accurate. There are other wetlands east of Widgeon Terrace that are listed as suburban on the County FLUM. However,

there are land use cases pending in that area. That and some inaccuracy in both the Town and County FLUMs makes further FLUM amendments inadvisable for this area.

Area 2

The second location is the Mound House at 451 Connecticut Street, parcel 29-46-24-W2-00146.0010. This is now owned by The Town of Fort Myers Beach and is designated Recreation on their FLUM (see Attachment 2). It is shown as Suburban on the Lee County FLUM (see map 2a). The primary incentive for purchasing the property was to preserve the site and use the house as a museum as well as for hosting special functions. The Conservation Lands category, as expressed in Lee Plan Policy 1.4.6. is meant to be applied to properties that the public intends to preserve for historic and cultural preservation. Therefore, Upland Conservation Lands would more closely match the Town's intended future use for the land.

Area 3

This area is between Tropical Shores Way and the canal to the east. There is a small area shown as wetlands on the Lee County FLUM that is mostly surrounded by Suburban (see map 2a). On the Fort Myers Beach FLUM, all of the land area is designated Mixed Residential (see Attachment 2). Also, this land area is already built up with residential uses. The wetlands may have been dredged and filled subsequent to their classification. Changing this Wetland area to Suburban would better reflect reality as well as the Towns' intent.

Area 4

The fourth area lies generally between Mango Street and the canal to the east, overlapping Mango Street and cutting across parcel lines at the southern edge. It is shown in the Lee County FLUM as Wetland and is surrounded by Suburban (see map 2a). The Fort Myers Beach FLUM limits the Wetland designation to four parcels between Mango Street and the canal and stops the Wetland designation at the southern parcel lines (see Attachment 2). Aerial photographs support the Towns' designation. It would better reflect the Towns' intent and the existing conditions to alter the Lee County Wetland lines to match the boundaries of the Fort Myers Beach FLUM.

B. CONCLUSIONS

There is an approximately matching category on the Lee County FLUM for every category on the Town of Fort Myers Beach FLUM. Suburban and Outlying Suburban are the best possible matches for the Towns' Mixed Residential and Low Density categories. The Urban Community and Central Urban categories help reflect the higher intensity land use areas designated Boulevard and Pedestrian Commercial. The Public Facility category reflects the Towns' intent for the beaches and other public properties. The Town FLUM more accurately maps the wetland category and the County FLUM should be revised to match the spatial limits of this designation. Although the permitted uses and densities vary between the two systems, it is still possible to reflect the general intent and pattern of the Fort Myers Beach FLUM using the County FLUM categories.

C. STAFF RECOMMENDATION

Planning staff recommends the Board of County Commissioners transmit this proposed amendment.

**PART III - LOCAL PLANNING AGENCY
REVIEW AND RECOMMENDATION**

DATE OF PUBLIC LPA HEARING: February 26, 2001

A. LOCAL PLANNING AGENCY REVIEW

One LPA member expressed concern that the County map should be congruent with the Fort Myers Beach map. Staff responded that the towns' planning consultant, Mr. Spikowski, reviewed the amendment and concurs with the changes.

B. LOCAL PLANNING AGENCY RECOMMENDATION AND FINDINGS OF FACT SUMMARY

1. RECOMMENDATION:

The LPA recommend that the Board of County Commissioners transmit this document to amend the Future Land Use Map series, Map 1, to more closely reflect the Town of Fort Myers Beach adopted Future Land Use Map.

2. BASIS AND RECOMMENDED FINDINGS OF FACT:

The LPA accepted the findings of fact as advanced by staff.
