

## Exhibit B

### Request Narrative

I am requesting group II be added to the zoning of 16320 Innovation Lane, Fort Myers, Florida 33913. We are a golf cart dealership. There are 2 other golf cart dealerships within the same business park that have been approved to operate. Also I had group II added to my current location of 12210 Itec Haul Dr, Fort Myers, Florida 33913 just under 1 year ago. We have grown and are moving into a bigger space.

Thanks
