Yes	This comment was not addressed in the most recent resubmittal. The boundary survey referenced does not satisfy this requirement, because the legal description document itself must be signed/sealed by a Florida Licensed Surveyor and Mapper. Sec. 34-202(a) Submittal requirements for applications requiring public hearing. (5) Legal description and sketch to accompany legal description. "A metes and bounds legal description along with a sketch of the legal description, prepared by a Florida Licensed Surveyor and Mapper, must be submitted, unless the property consists of one or more undivided lots within a subdivision platted in accordance with F.S. Ch. 177." The legal description does not have the signature of a "Licensed Surveyor and Mapper". Please provide a document meeting the requirements of LDC §34-202(a)(5).	Richard Burris	Open	3
